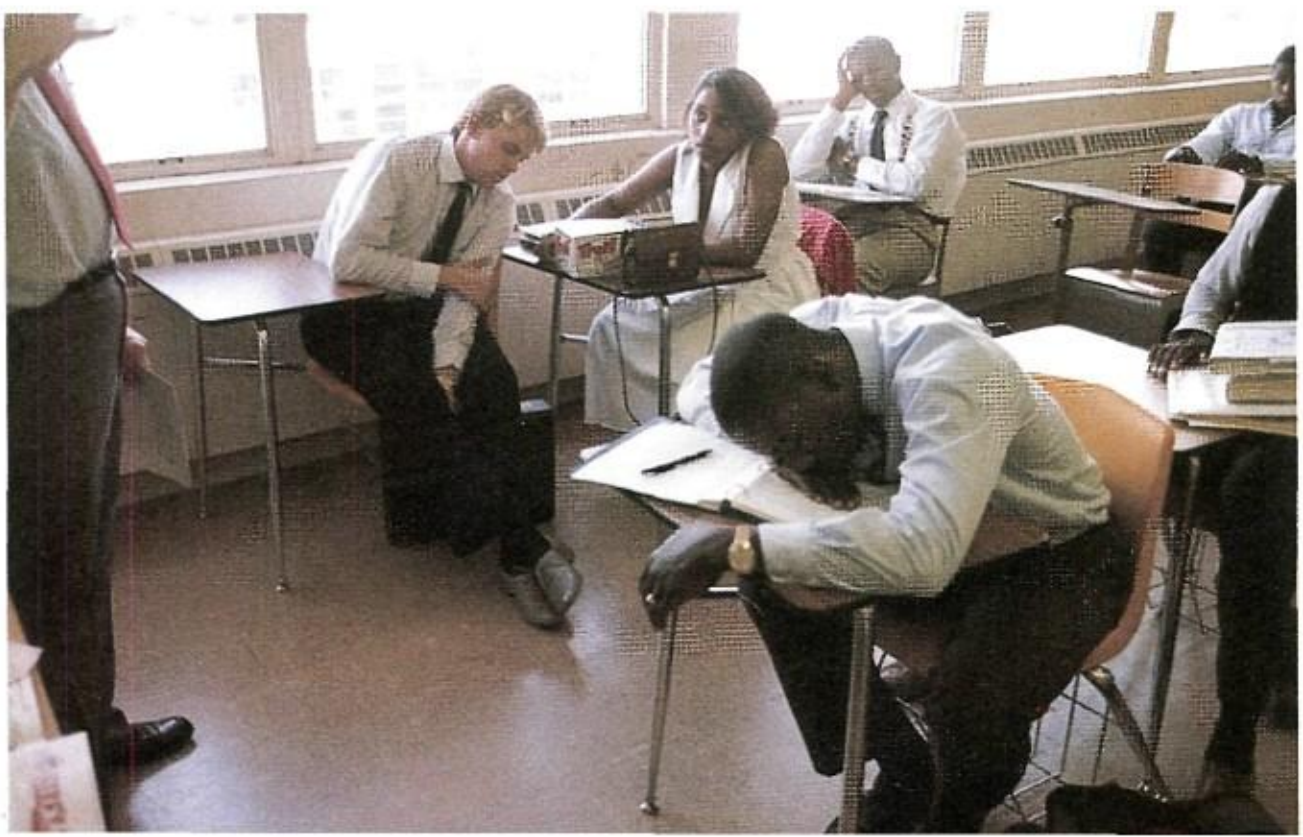
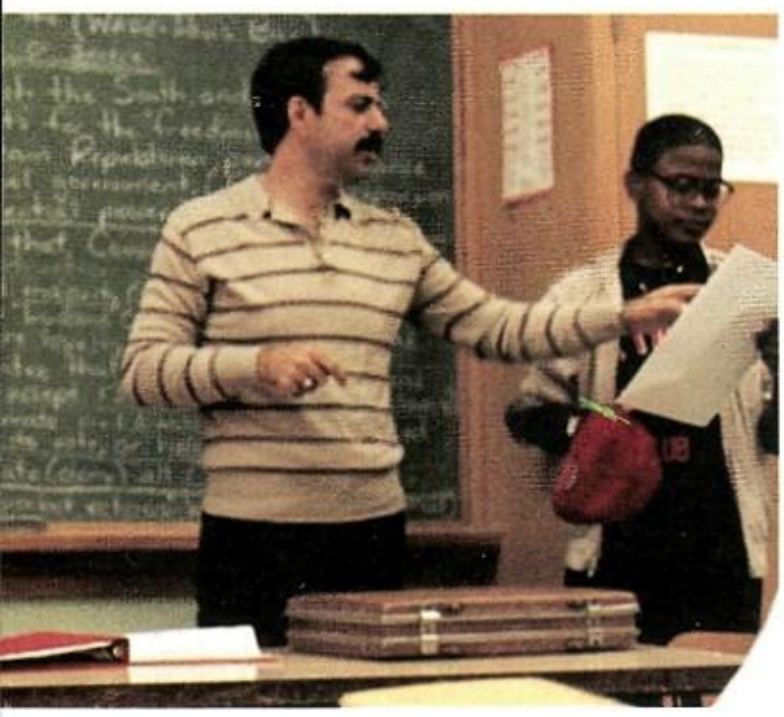
# STUDENT LIFE



*THE STUDENT BODY AT CARTER HIGH LEADS A VERY INTERESTING LIFE.*

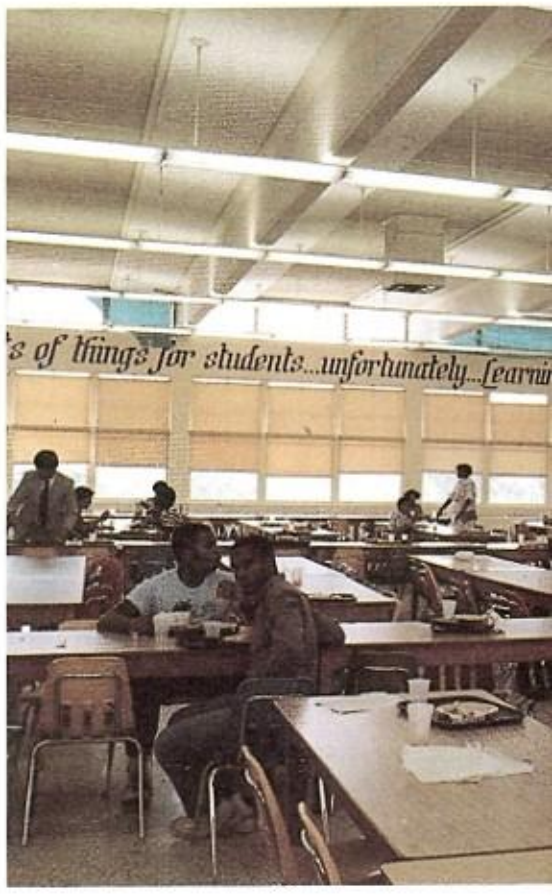
*INTERTWINING HOME, SCHOOL, WORK, AND A SOCIAL LIFE IS A HARD JOB, BUT THE COWBOYS HANDLE IT WITH GRACE AND FLAIR!*

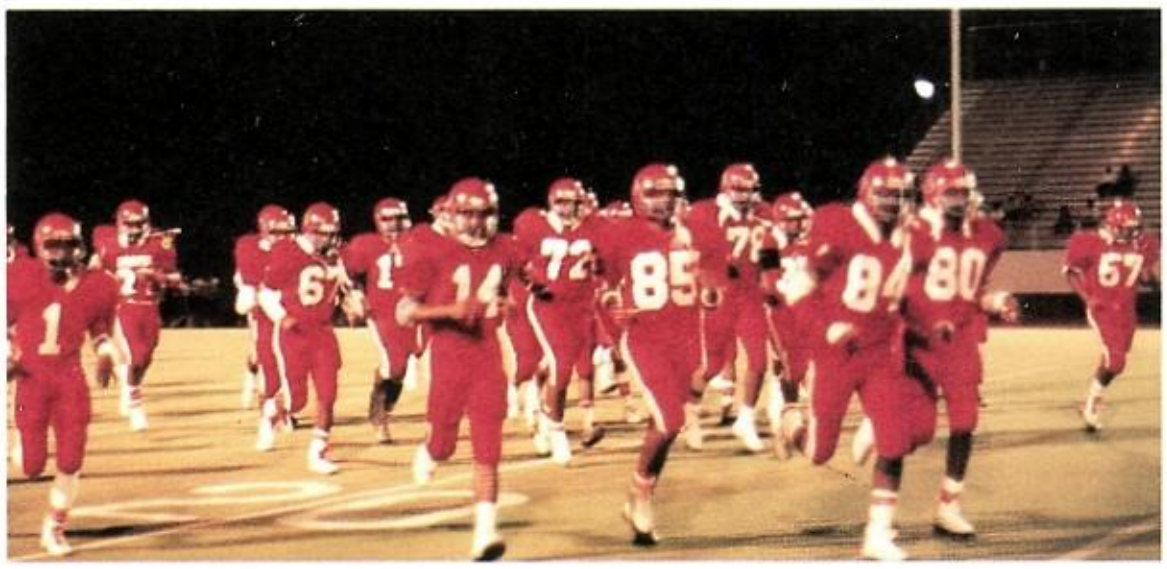
# IN THE BEGINNING . . .



After a long, hot, lazy summer full of ice cream cones, swimming pools, JAMS, concerts, trips to the park and Six Flags, and music, it was time to go back to the every-day grind that is high school. The first week back at Carter High was spent getting back into the swing of things. There were new teachers, new administrators, and new rules. But we quickly found the pace again and continued on the beaten path, beginning yet another year in this illustrious building.

**Tuesday, September 2:** New teacher Mr. Scotch directs his homeroom class.

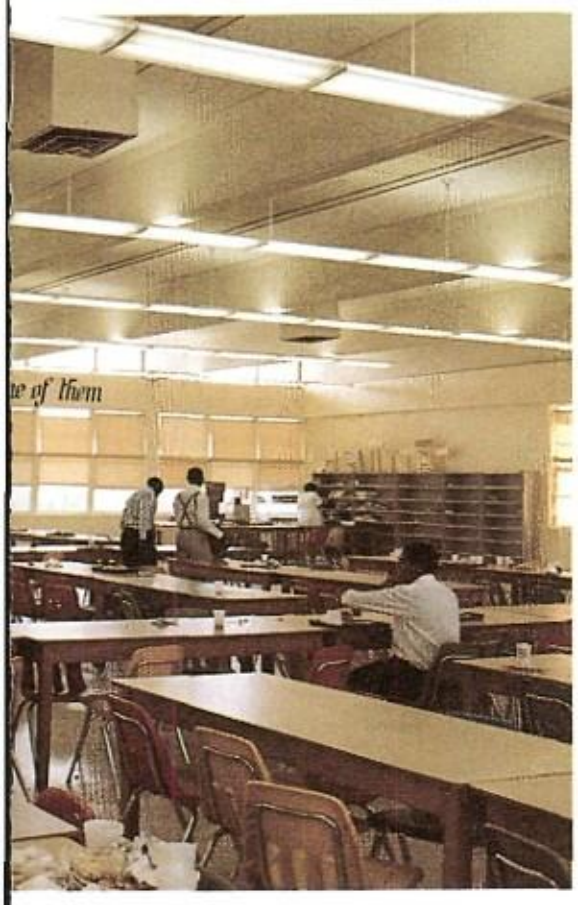




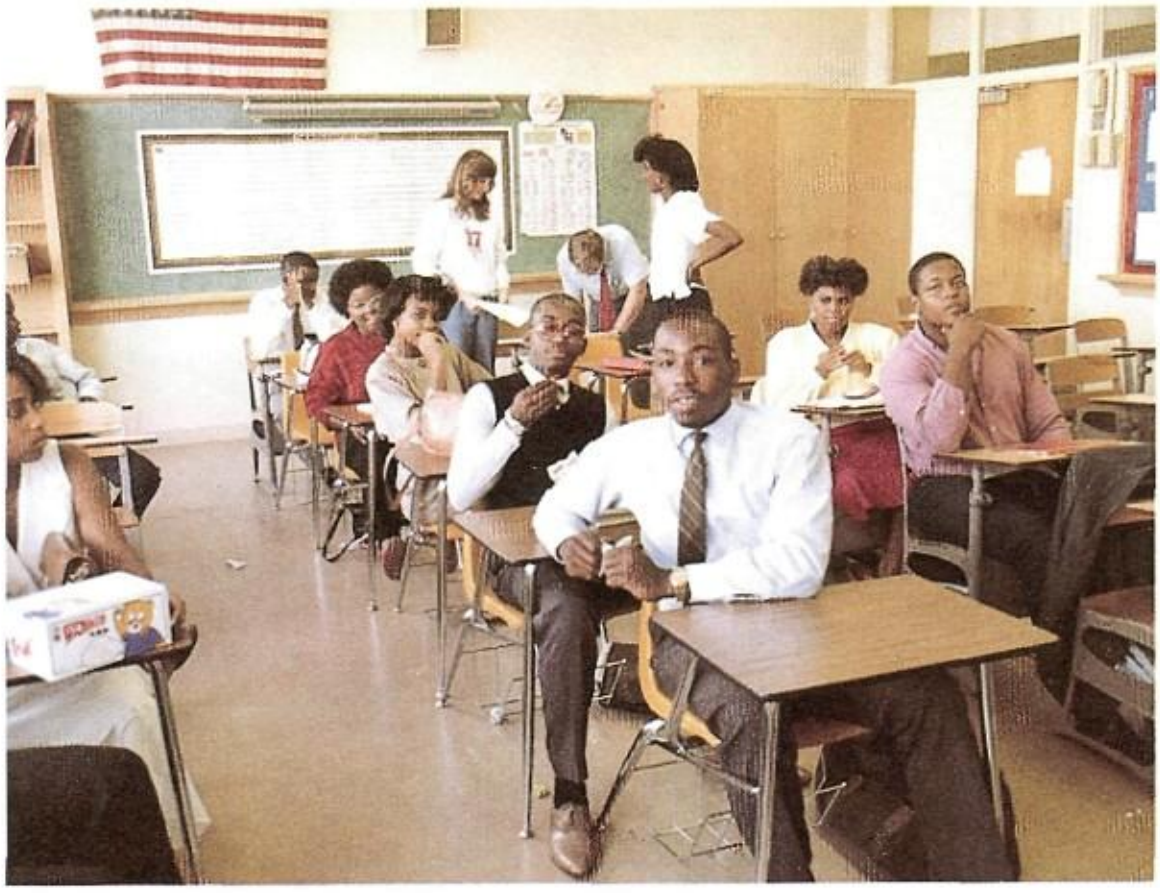
**Friday, September 5:** The Carter Cowboys football team prepare to do battle with the John Tyler team.

**Friday, September 5:** The JV Cheerleader form a pyramid on-stage during the pe rally.

**Wednesday, September 3:** After a meal of corny dogs and french fries, students take their time getting to class.



**Thursday, September 4:** "We are ready to learn," say the AP U.S. History Seniors.



**Friday, September 5:** The band marches off the field after the halftime of the Carter-John Tyler game.

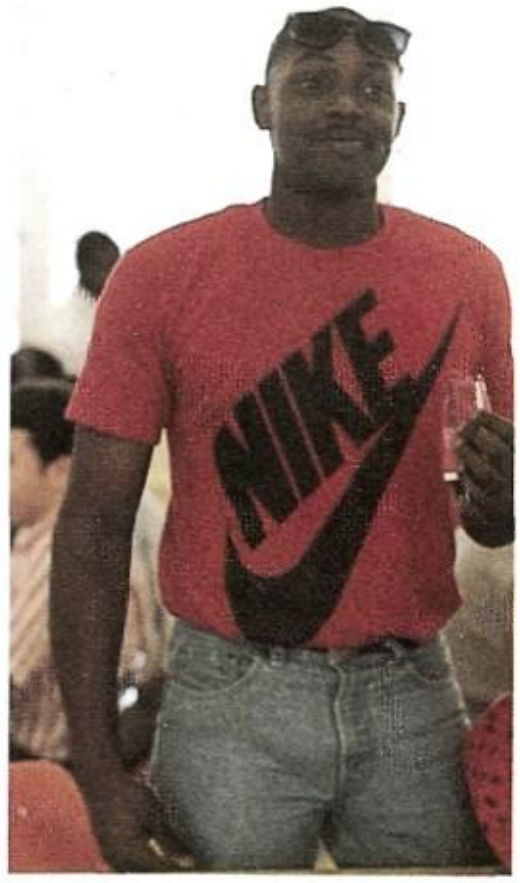
# STYLING AND PROFILING

The students of Carter High School take great pride in choosing and wearing clothing. If you were to walk down the halls, you would think that you are at a fashion show. These students venture out to Sanger-Harris, Marshall Fields, Sax Fifth Avenue, Neiman Marcus, Macy's and Bloomingdales to buy clothes.

Tons and tons of money is spent on the latest fashions and designer clothing. You would think that all students were competing for the Carter Best-Dressed Award. The students splurge their Guess jeans, Coca-Cola shirts, and Reeboks tennis shoes for casual wear. If they really want to "get live," they will burst out in Generra slacks, Giorgio Armani or Perry Wllis shirts, Cole-Hann shoes, and an eel or Louis Vuitton wallet. The young ladies splurge those totally sexy stirrups, Guess pants, Coca-Cola shirts, casual shoes, sweater dresses, and those real "depth" dress pants.

Warm-Ups are also becoming popular. We're not talking about those $15.00 warm-up suits. We're talking about the $70.00 to $100.00 Nike, Puma, Adidas, and Fila warm-ups. We are talking about a $300.00 warm-up suit. Most won't wear an Adidas warm-up without wearing their Adidas leather tennis to go with it. Students of Carter High School worked hard to get their Reeboks, Adidas, and Leather Nikes. The Students of David W. Carter this year are showing that they have style.

The number one fashion choice at Carter: Guess? clothes.



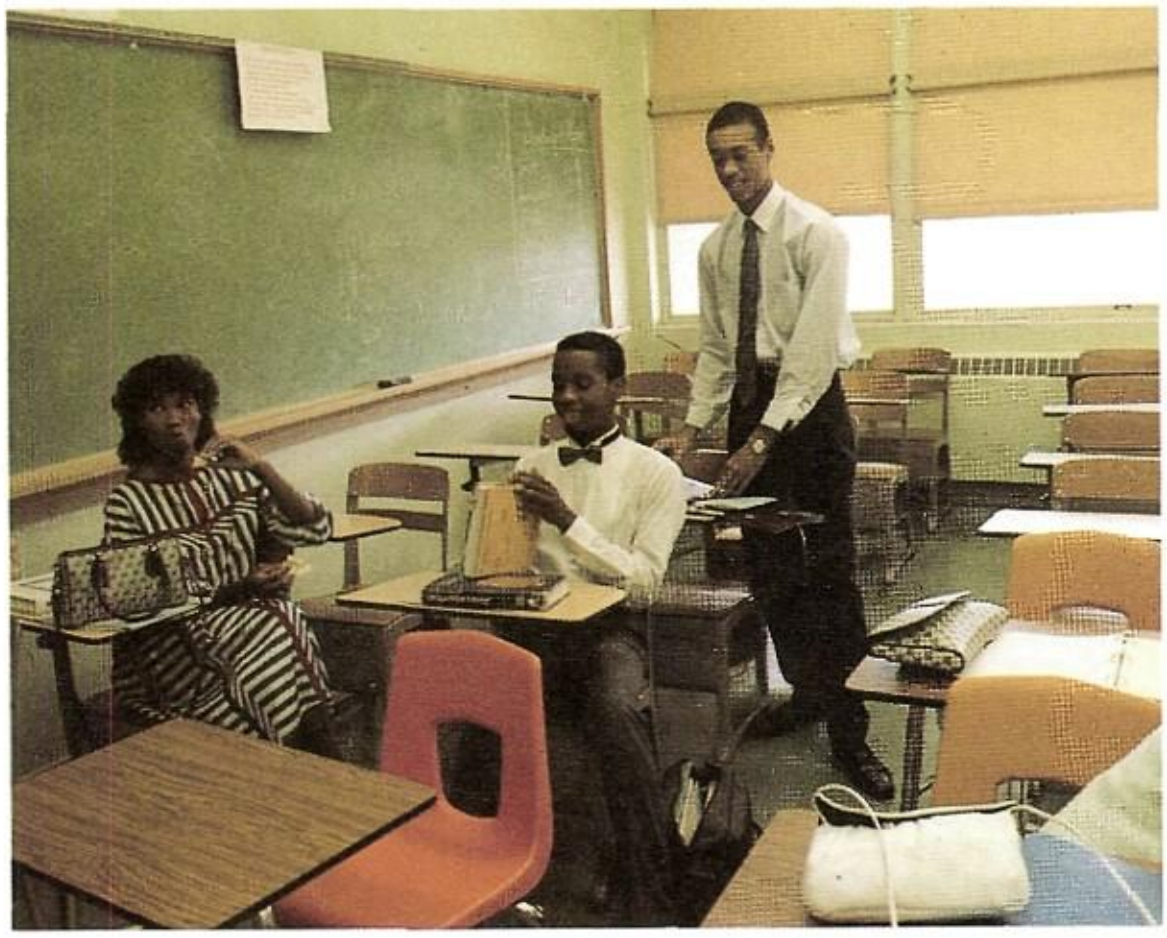
Sports clothes, like this Nike T-Shirt, are also popular.

# Coca-Cola Clothes come in many styles:

two-tone sweaters,

two-tone long sleeved polo shirts,

and hooded sweatshirts.



Seniors Angela Rundles, Marcus Young, and Milton Brown show their style on dress up day.

# HALFTIME MEANS SHOWTIME!

A few minutes are left in the second quarter. The Drill Team, Majorettes, Flag Corps and Marching Band line up at parade rest beside the football field. Three seconds. Two seconds. One second. The whistle blows. It's halftime! "The most exciting part of the game is when the halftime crew just lets it all hang out," says Bill Daniels, a member of the Marching Band.

Introducing the 1986-87 David W. Carter Halftime Crew. "That's when we show people what we're made of," says Drum Major Adana Henderson. The Flag Corps demonstrates their precision with the D.W.C. flags. The Calicos show their tremendous dancing dexterity, marching onto the field to the beat of "Calico Cadence" and then performing to the Band's arrangements of such popular tunes as Prince's "Girls and Boys" or Cameo's "Fast, Furious, and Funny." The Majorettes twirl their hearts out. Finally, the CC Marching Band comes on, and they really get "off!"

As Reginald Young, a member of the Band, says: "I feel that we put all of our heart into a show, and we really just let go!" The music, the twirling, and the dancing brings the Carter spirit out. Alton Drayden, Drum Major, states, "Halftime is a time to release all of those wild sensations."

Rodney Webber "lets loose" on the field during halftime as our Cowboy mascot. He symbolizes the Carter spirit. Halftime is when the passing and running action of a football game takes a break, and the dancing, and music and marching action takes over. The band's chant of "We feel good; oh, we feel so good, ooh!" symbolizes the halftime atmosphere. The CC Halftime Crew comes out to do what they do best — **GROOVE.** Led by Drum Majors Alton Drayden and Adana Henderson, the twenty minutes between the second and third quarters is when heads turn.

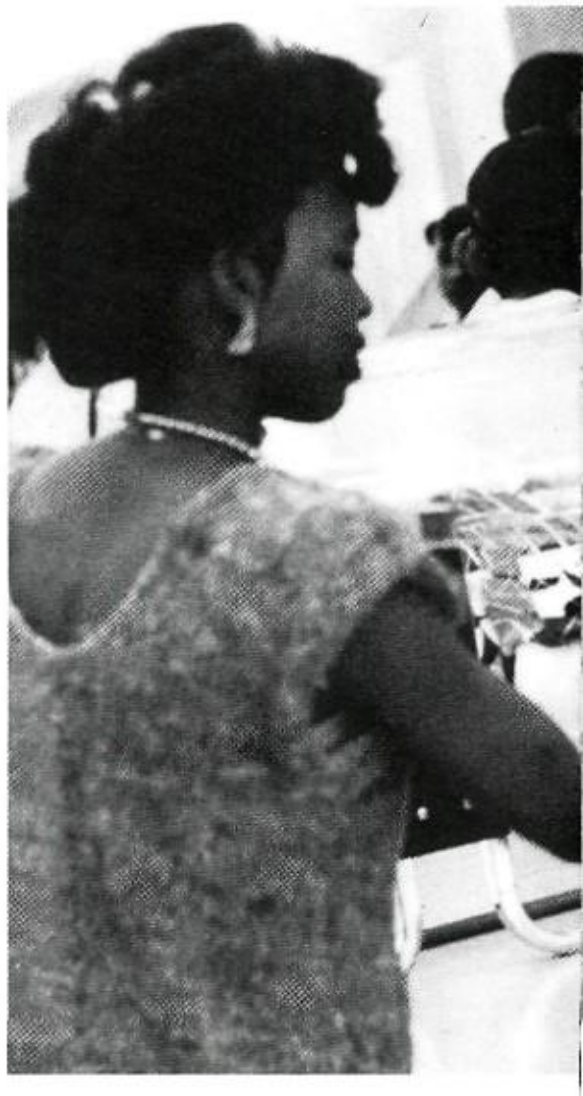
# EAT, DRINK

It is usually around the middle of third period that the Frosted Flakes you had for breakfast are no longer keeping your stomach occupied. It's time for lunch.

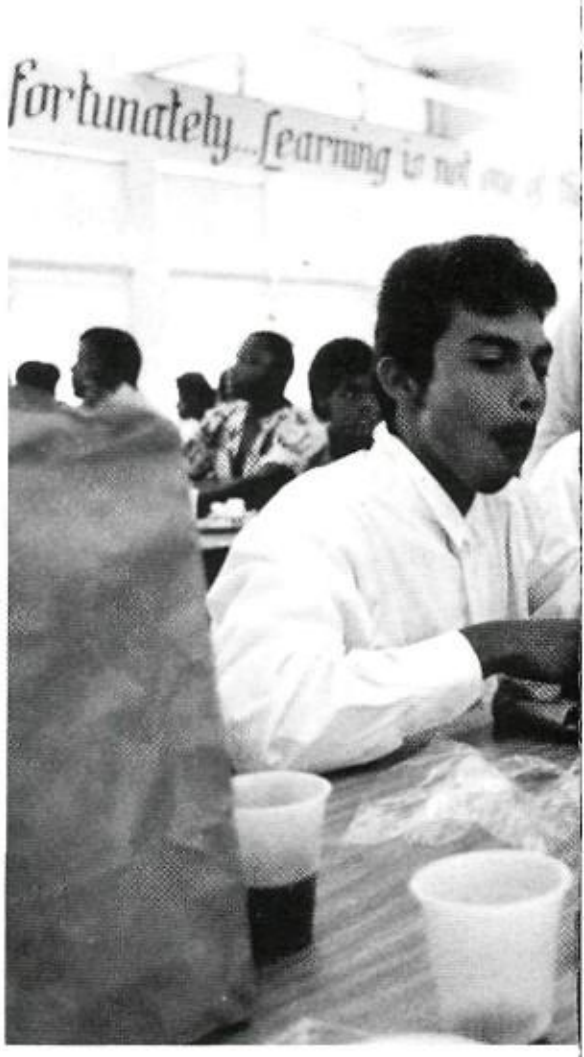
Lunch starts at 11:00 a.m. and continues until 1:00 p.m. There are six lines that one may stand in: three are for the standard D.I.S.D. fare and three are for those with a sweeter tooth and those who crave junk food. One line doubles as a salad bar for those who wish to at least look like the're eating something nutritious.

A lot of students, after years of lunchroom food, have suffered from lunchroom food overdose and choose to bring their lunches as an alternative. But when the hunger pangs begin and there is a spare dollar in your pocket, a meal in Carter's lunchroom can't be beat.



Reginald Young, Brian Bonner and Monique Wimbush finish the meal.

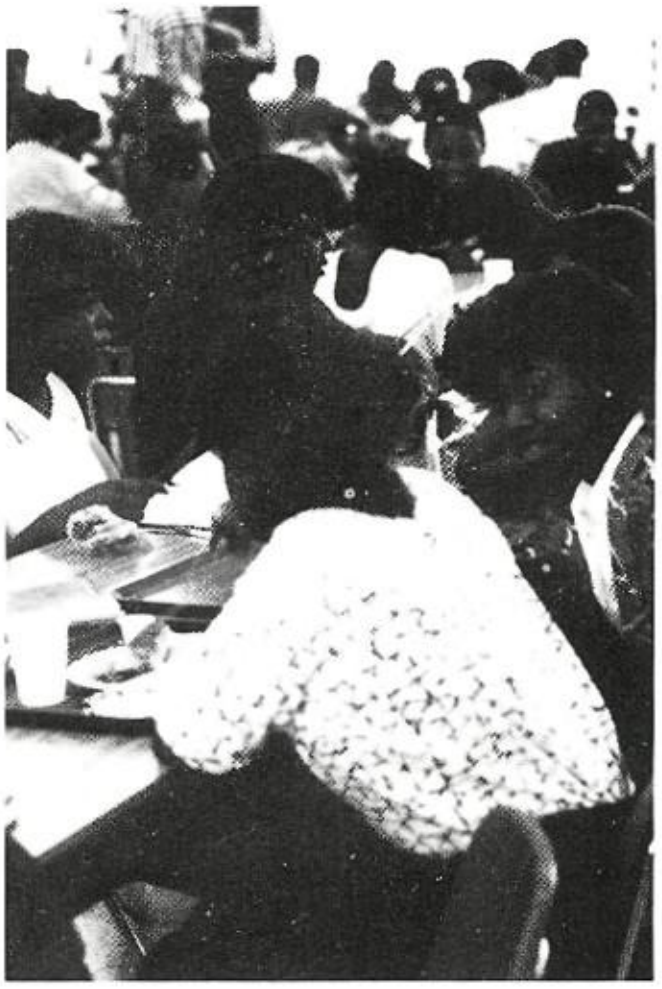
Tonya Webb and Cheri Taylor stop Chauncey King to talk.



Jessie Ortiz and Company chose to bring their lunch and share it with others.

Keshia Childs makes sure that her change is in her hand.

Students find a seat and enjoy their lunch with friends.



Kimjada Rice and Lakeshia Sapp gossip as they eat.

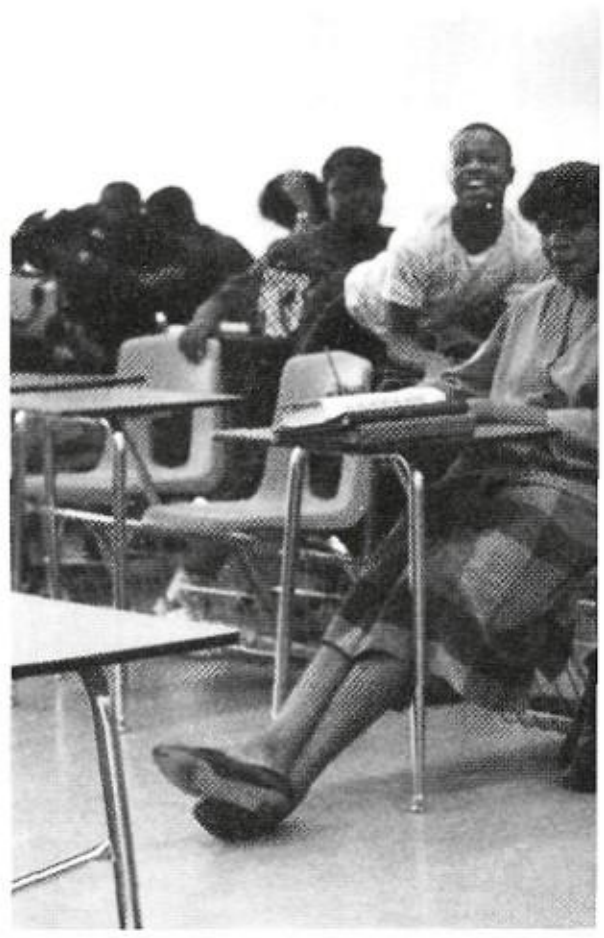
Reginald Sephus enters the lunchroom ready to eat.

# COPPING SOME Z's

After eating lunch in Carter's lunchroom, there is this sudden desire to take a nap, or "cop some Z's." This desire is most prominent in fifth, sixth, and seventh periods. Teachers don't help at all; they choose to lecture endlessly on some boring subject.

Seeing their students sleep in class is hard on the teachers, too. But it is even harder to catch up in class after waking from a particularly refreshing snooze.

To some students, snatching an extra catnap in class is a way to get the sleep they didn't get the night before. It also helps to refresh their energy in order to have some fun after school is over. At any rate, snoozing in class if NOT recomended, unless you are dog-gone tired.



Returning from work on the Executive Assistants Program, Durrand Hill takes forty winks in History class.

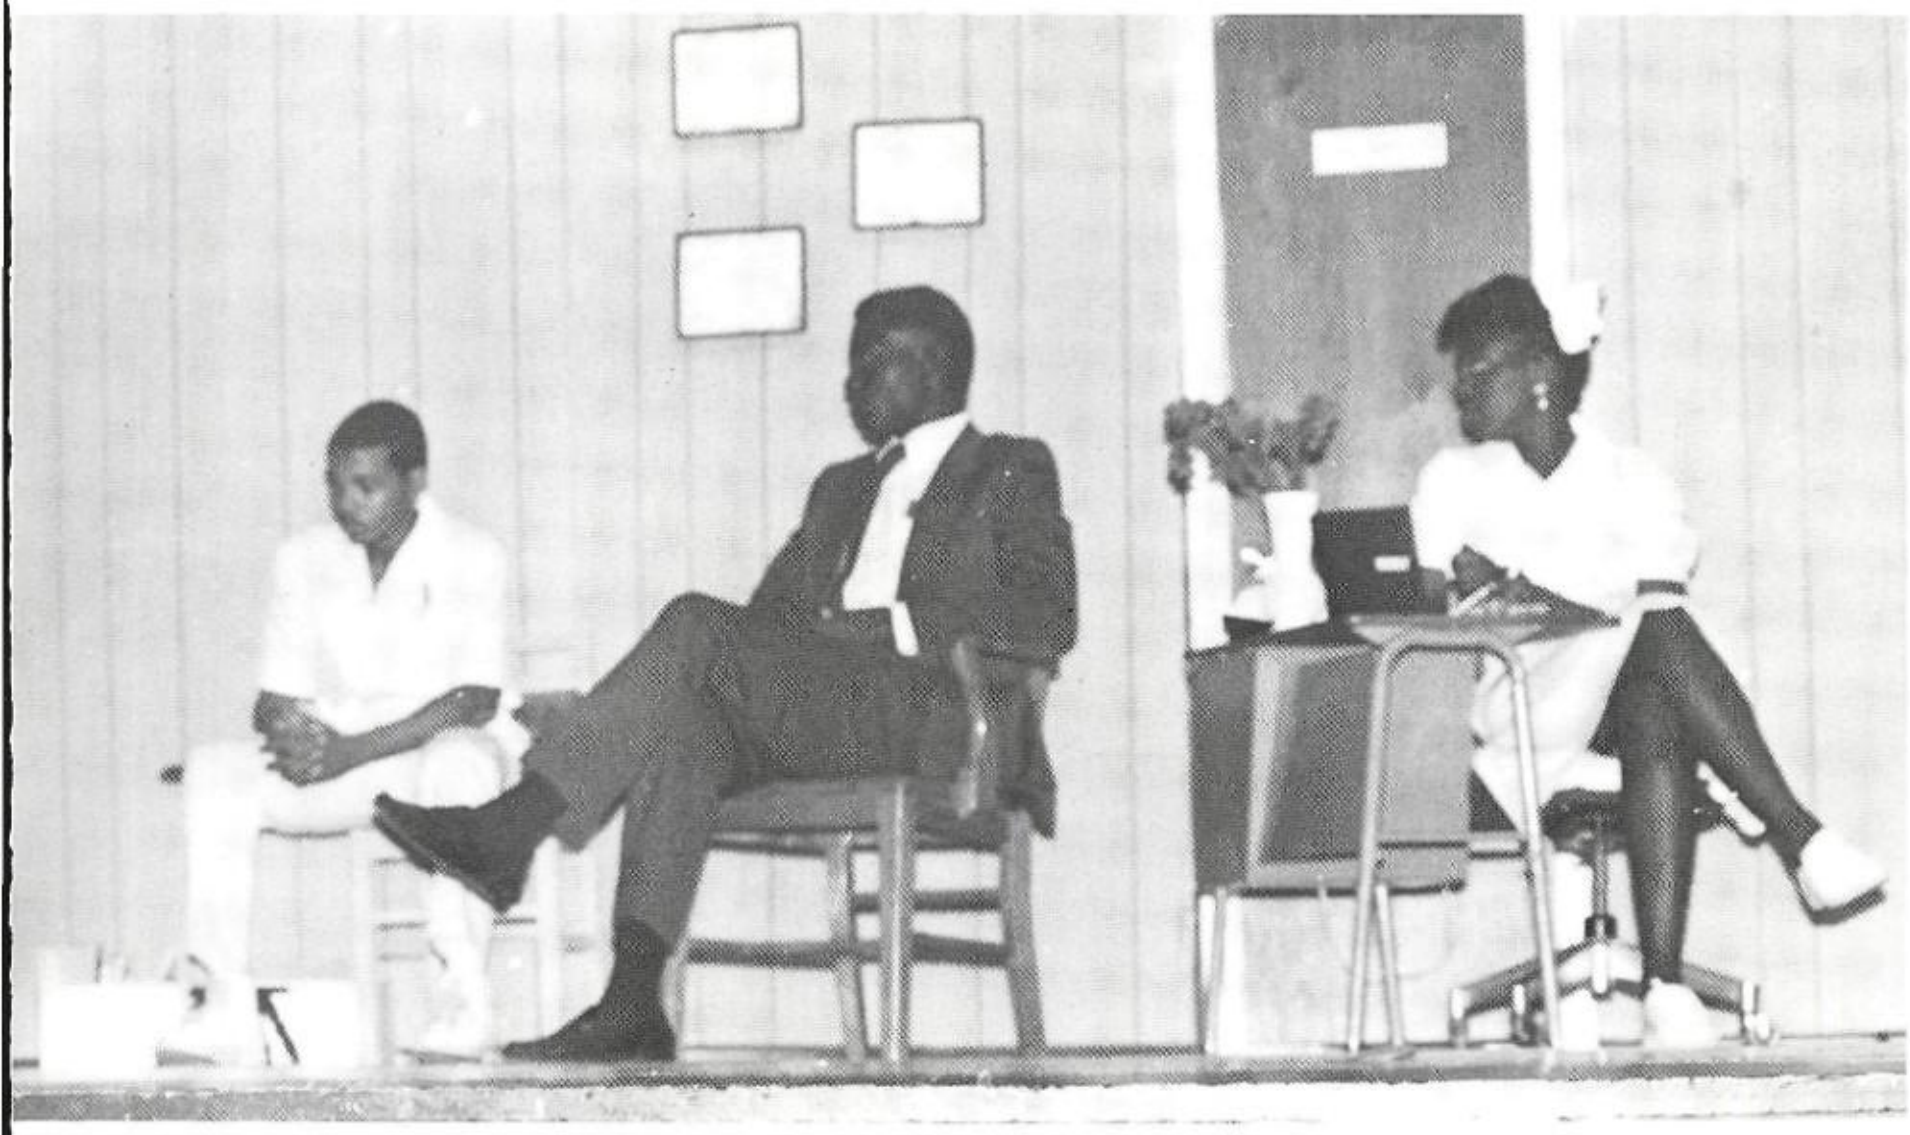
# THE PLAY'S THE THING

## Carter's Production of *Harvey* is a resounding success.

Over 500 people attended The Carter Drama Department's production of *Harvey* over two nights. The story of Elwood P. Dowd and his invisible friend, Harvey, a six foot white rabbit, unfolded as the audience laughed their way to the ending. The mistaken identity element also added to the suspense of the play.

**Left:** Elwood P. Dowd (David King) speaks to Mrs. Greenawalt on the line.

**Below:** The problem of Harvey, the six foot white rabbit, is discussed by Wilson (Anthony Amos), Dr. Sanderson (Bobby Moten) and Nurse Kelly (Tavius Jones).



Dr. Sanderson (Bobby Moten) listens intently as Veta Simmons (Dietra Davis) tells of her problems with Harvey.

# Practice Makes PERFECT

Who says that putting on a Football spectacular is easy? Anything that brings success takes practice. Our clubs and organizations at Carter do a very good job. The performances that they do are always in step and on time.

Our band, better known as the CC Marching Machine, wakes up very early in the morning to start their engines. Their practice usually began at 7:00 in the morning. Before most of the students wake up, the band is practicing on its routines.

The Calicos work very hard to perfect their routines. It is very evident in their dance routines. It is very hard to twirl a baton while jumping, and dancing, but the Majorettes use the practice makes perfect approach. They practice until their baton's are just like a part of their hands.

At the football games the crowd is always very enthusiastic. The cause of this is the football team, and the cheerleaders. The cheerleaders practice and practice to perfect their rhythmic cheers.

When the crowd watches the football games, it appears to be very simple, but it is not. It takes a lot of long practices to perfect a good team, and a champion. All of these groups prove that practice makes perfect.

**Right:** With their practice field markers as a reference, the band marches in the parking lot.

# SHOWING THAT CC SPIRIT

During every week of the varsity football season, there comes a time before the football game where everyone jumps up and down to support the Cowboys. We're talking about the pep rallies, held on the morning of the last day of the school week, usually a Friday. These gatherings are to prove to the football teams (varsity, junior varsity, and freshman) that the Carter student body is with them in any athletic contest they participate in.

The pep rallies last from 7:45 to 8:15 in the morning, but that's more than enough time. The Cheerleaders open with a few cheers to stir everyone's blood. Then there is the posting of the colors and the Pledge. The Band, Calicos, Majorettes, and the Junior Varsity Cheerleaders come next on the agenda. There is lots of music, singing, dancing — so much that the noise is almost deafening. There is also lots of competition for the spirit stick, given by the Cheerleaders in honor of the football teams. Then there is the singing of the school song — "Hail Carter High." A perfect ending to a perfect pep rally!

**Above:** The Cheerleaders build a pyramid. "Go, fight, win!" say Varsity Cheerleaders.

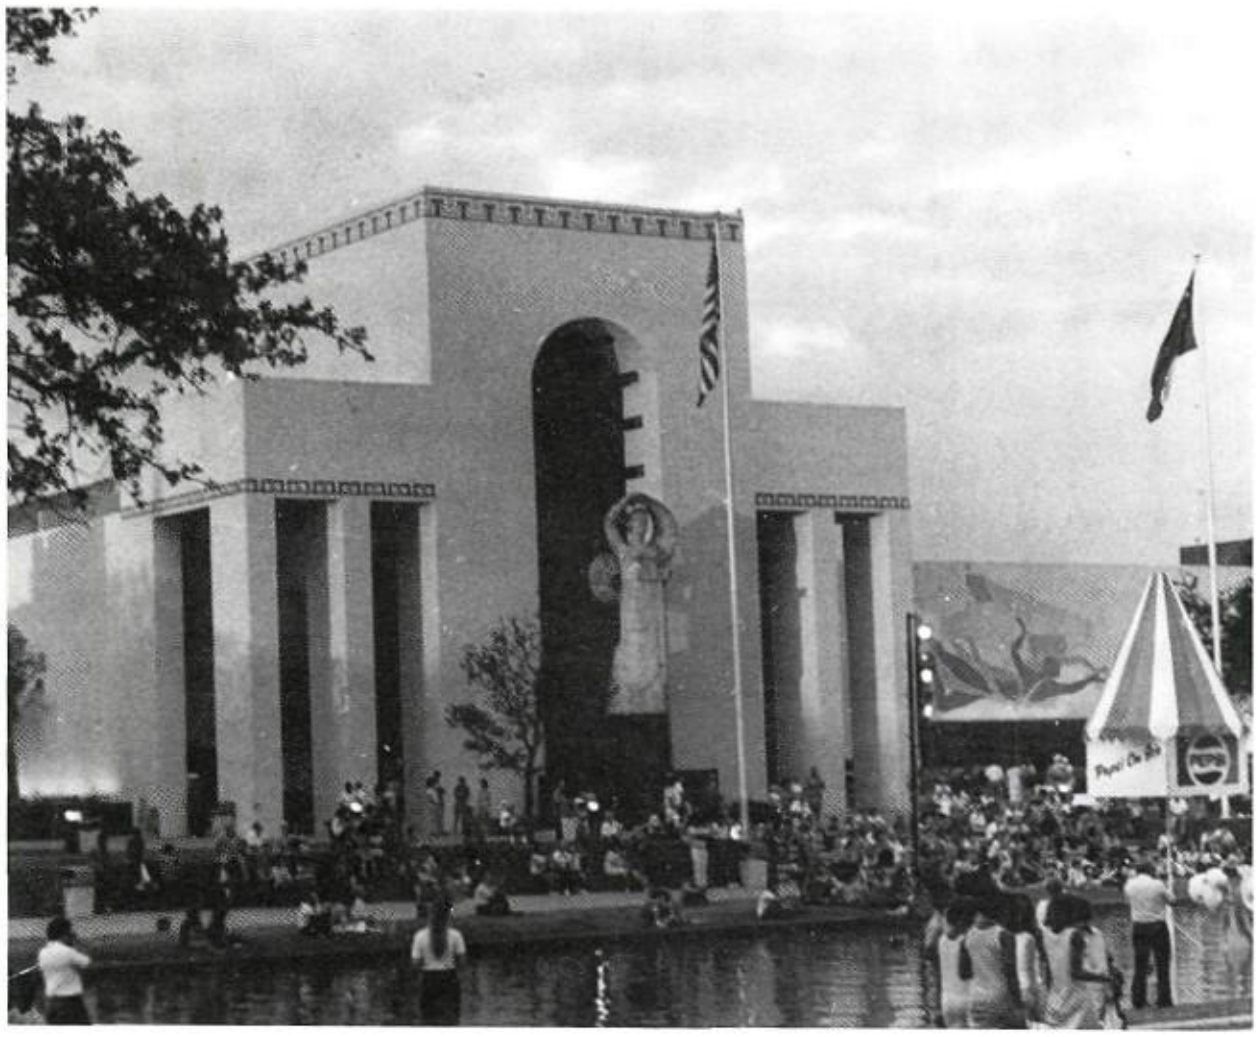
# WHERE IS EVERYONE?



Two of our staff's photographers went to the State Fair of Texas on Oct. 3, the D.I.S.D. Fair Day for Secondary Schools. But we couldn't find any Carter Students to take pictures of. We looked everywhere, but we didn't see anyone. By the time we finally saw someone, all of our film was gone. *(Sigh.)* Oh, well, better luck next time.

# Let Me Call You SWEETHEART

Valentine's Day fell on a Saturday in 1987, so Carter's celebration of this sweet occasion was held on Friday the 13th. This particular Friday the 13th turned out very lucky for everyone. Bunches of balloons, boxes of candy, and bouquets of flowers were in abundance, as were kisses and hugs. The Valentine Dance, a semi-formal affair this year, was held at Carter that night, and the Valentine court, with Princes and Princesses from every class and a King and Queen from the senior class, was presented.

Adana Henderson waits for the DJ, Shedrick McGill, to play a faster song.

# DANCE FEVER

At the end of the week you will usually hear the walls of the lunchroom vibrating. This is due to the XB1 speakers used at Carter's dances. These dances are given by various organizations at Carter. They also make lots of money for activities of the organizations.

The money made at these dances is due to the participation of the students. Teens not only come from Carter, they come from Kimball, South Oak Cliff, Roosevelt, Wilmer-Hutchins, Skyline, and others. The admission is two dollars, and the dances last from 7:00 p.m. to 11:00 p.m. Between these hours, serious partying is going on. The D.J.'s, Michael Joe, "Dr. Destroy," "The Amazing D.J. Cee Gee," and Shedrick McGill, keep the audience rocking and "freaking" to their live scratches, mixes, and cuts. The D.J.s play fresh tunes at every dance by Cameo, Janet Jackson, and Prince.

# I NEED SOME MONEY.

Are your pockets empty? Is your wallet "greenless?" Have you already robbed your piggy bank? Yes, money is a necessity to sustain a high school lifestyle? Everything costs money, but where do you get the money.

Studies show that the most popular phrase used by teenagers is, "Mom, I need some money . . . going out tonight." To often, Mom and Dad had to foot our bill for fun. "Independence is great, but I will always be dependent on my loving parents," says John Doe.

Additional income has also been compiled by jobs. Some people worked during the summer, and can you believe "saved some money." For others, who consider saving as an undefined term, employment was continued throughout the school year. We might work once a week, or on weekends, or every night. Our school's work program allows students to only attend school half a day and work at night.

Besides our parents and our jobs, there are only two additional sources of incomes obtainable by high school students at David W. Carter. The first is to steal money which is not the most reputable process of accumulating an income. However, the last source is right in our own school. For those who strive to make excellent grades in the classes instructed by Mrs. Donna Baker, class can be very profitable, since she pays students who make good grades.

Where does all this money seem to go? As students explain, "weekends always provided some sort of entertainment." With all of the possible activities and expenditures open to high school students, it really is impossible to lead a boring life, unless you want one.

# *HOMECOMING WEEK 1986*

November 2-8, was Homecoming Week at Carter High School, and it is always a special event. The age-old traditions of decorated halls, ornamented Homecoming mums, and boisterous pep rallies were renewed with great fervor as the Carter Cowboys got ready to face the Kimball Knights on the gridiron. This was Carter's 20th Anniversary celebration, which made the activities extra special. A 20th Anniversary/Homecoming Pep Rally was held at Carter on the evening of November 2 and was heavily attended by alumni from all of Carter's twenty graduating classes. The dance, held November 7 at Union Station, and the game, held at Sprague Stadium on November 8, were enjoyed by all. The week ended on a low note, however; the Carter Cowboys football team suffered a painful defeat at the hands of the Kimball Knights, 7-6. Despite that cloud, the week was decidedly sunny.

# SENIORS

*"I really want to be a doctor, but that's a long time to wait, so I'll just wait and become an engineer first."*

— Camika Evans

# SENIOR FAVORITES

## *1987 Edition*

The ballots were cast, the votes were counted, and the Senior Favorites in seven different categories were chosen. Specific areas of honor — Most Likely to Succeed, Most Handsome/Beautiful, Most Talented, Most Friendly, Most Athletic, and Most Popular— and an overall distinction — Best All Around — were voted upon by the members of the Senior class. Here, Seniors, are your Favorites for 1987.

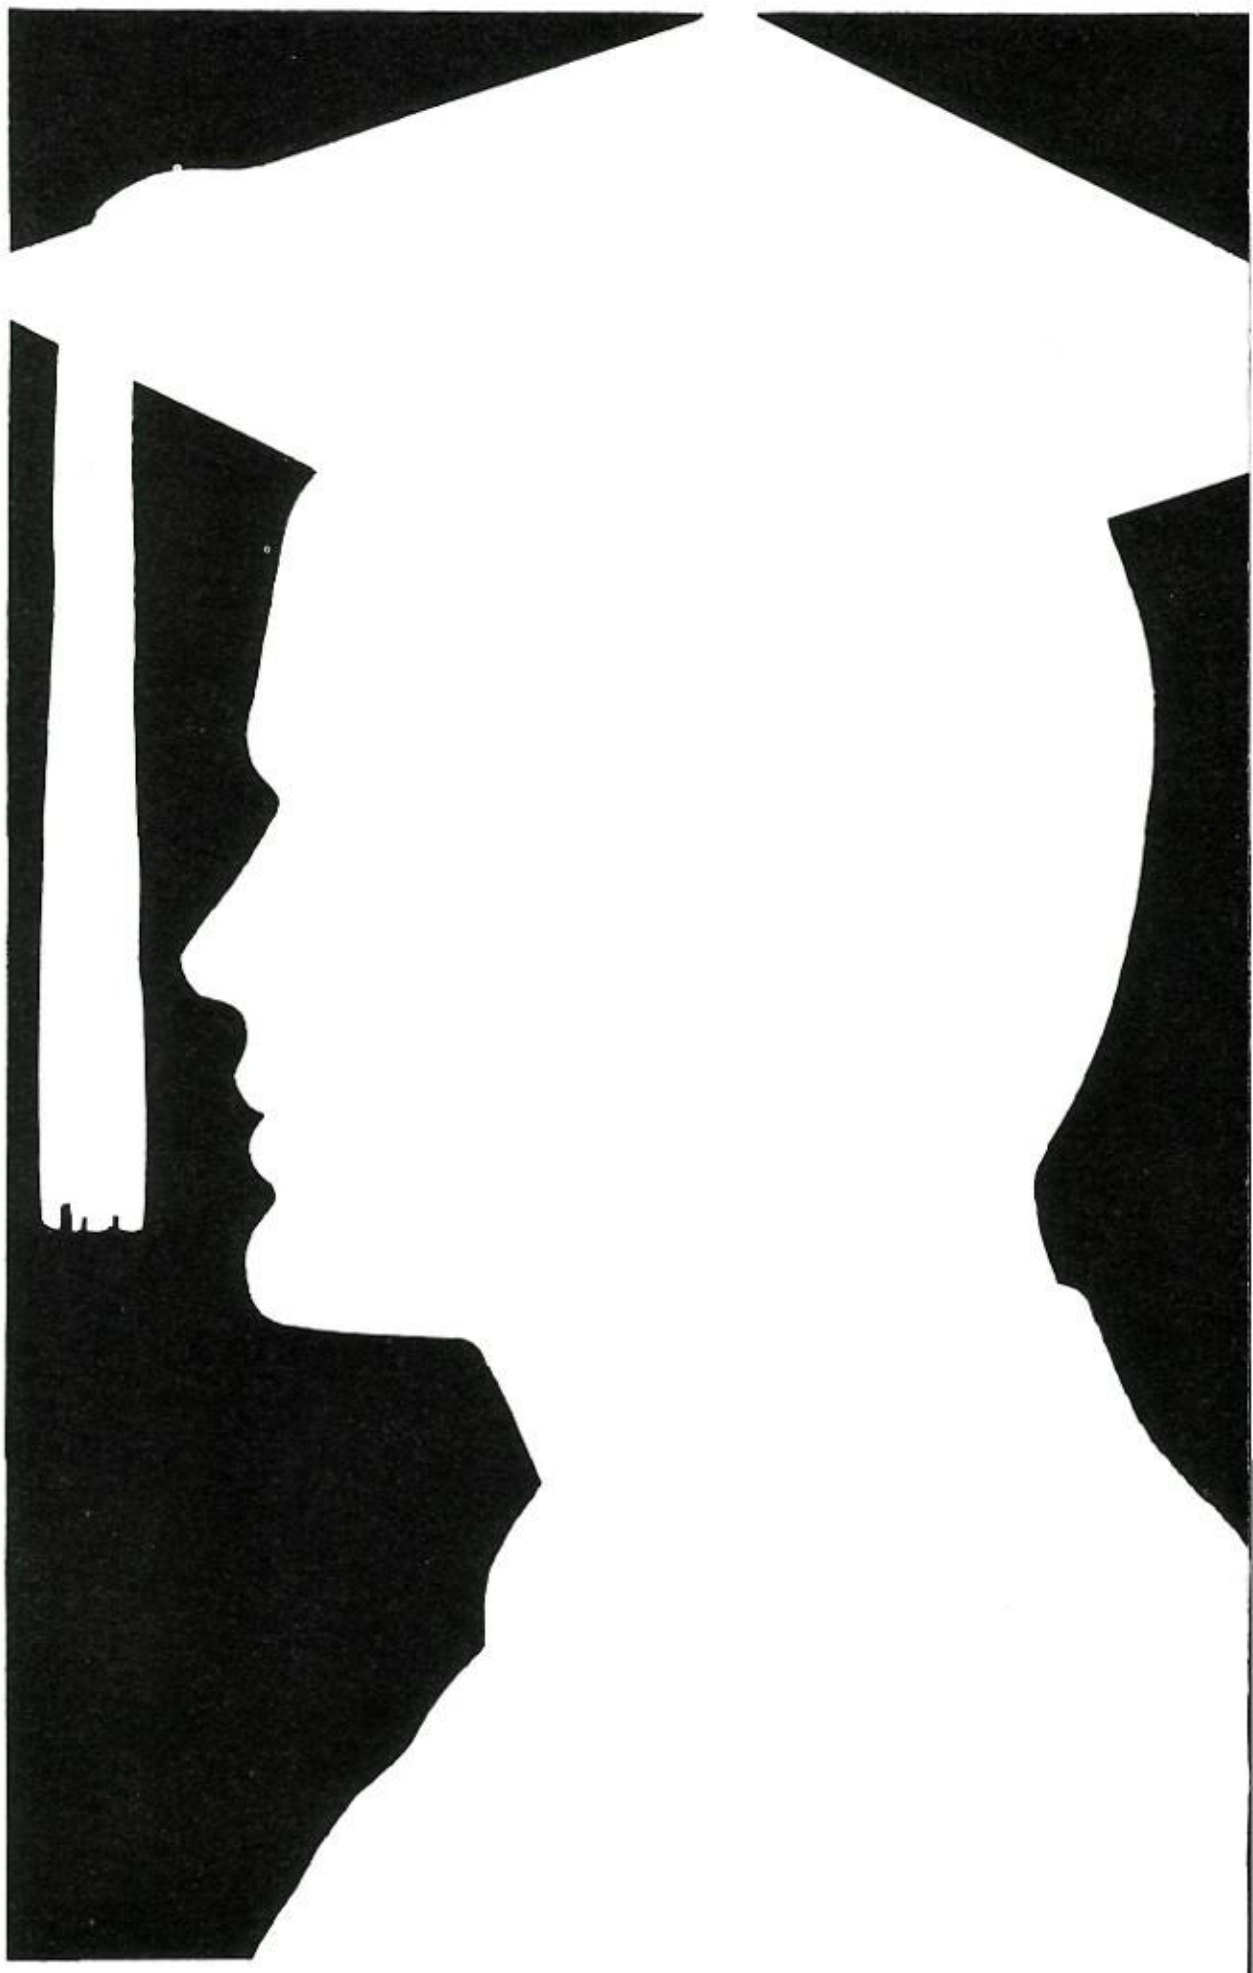
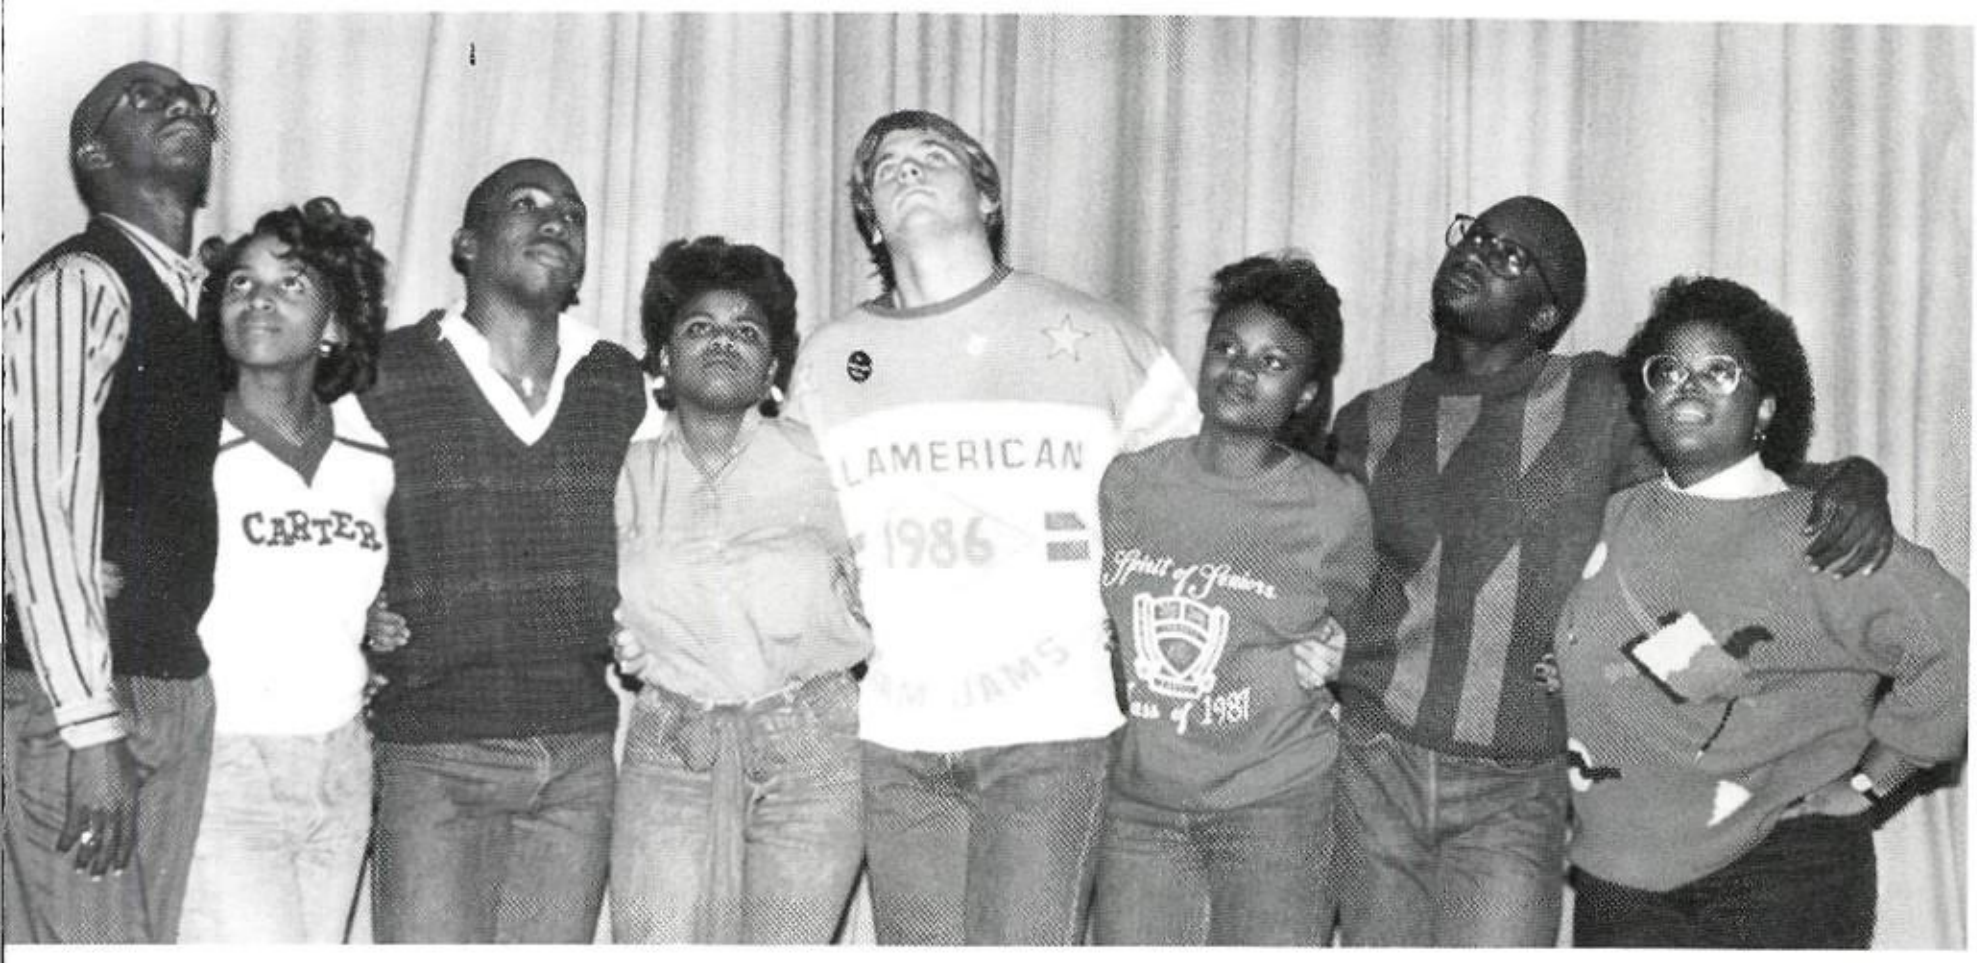
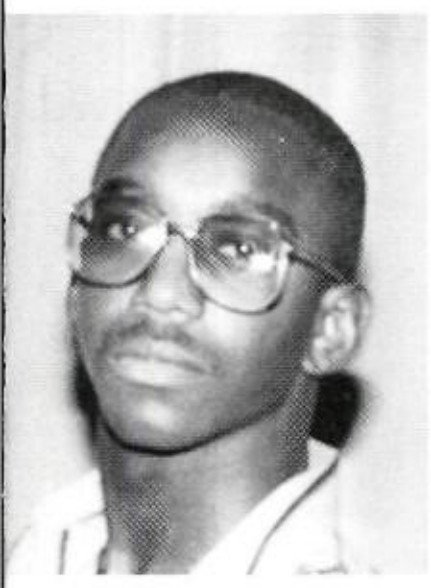
## 1987 WHO'S WHO

A *Who's Who* commendation is an honor offered only to the best of the Seniors at David W. Carter. Academic prowess, extracurricular activities, and citizenship are all considered in deciding who gets the honor . . .



# 1987 WHO'S WHO





Norvell Eutsey

Shennette Garrett

Keisha Gray

Adrienne Hayes

Kim McNealy

Tonya Morris

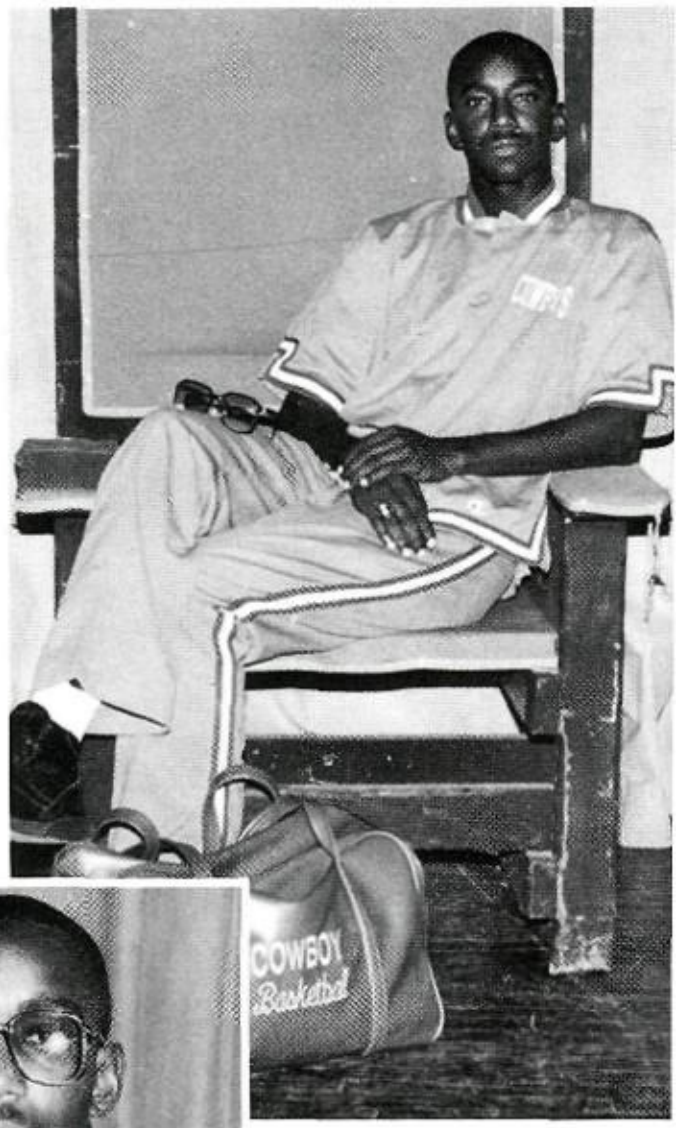
Milton Watkin

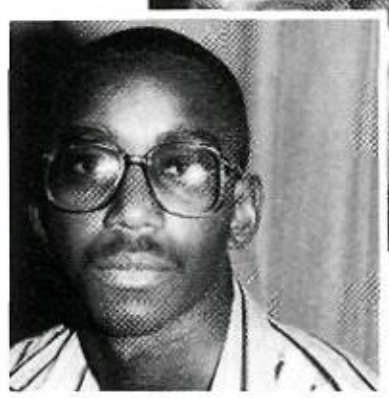
Rodrick Weaver

# NORVELL EUTSEY

Serving as president of the National Honor Society, being a varsity basketball player, and juggling his other responsibilities is all in a day's work for Norvell. But he also tries to help others. "I care about people," he says, "and I'll be there when someone needs me."

*"My purpose is to help others along the way. We are not here just to take care of ourselves."*

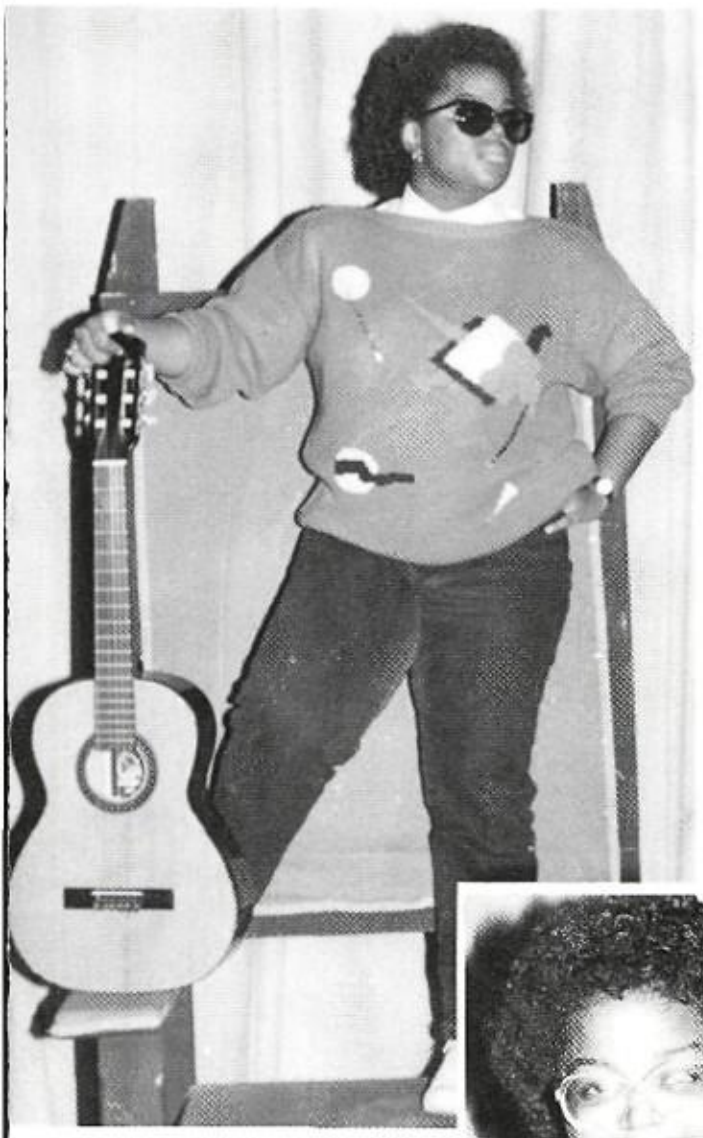




# SHENNETTE GARRETT

Shennette serves as captain of the Calicos and president of the Senior class, two time-consuming offices. She admits that she takes time for herself. "I try to be silly sometimes because it's fun."

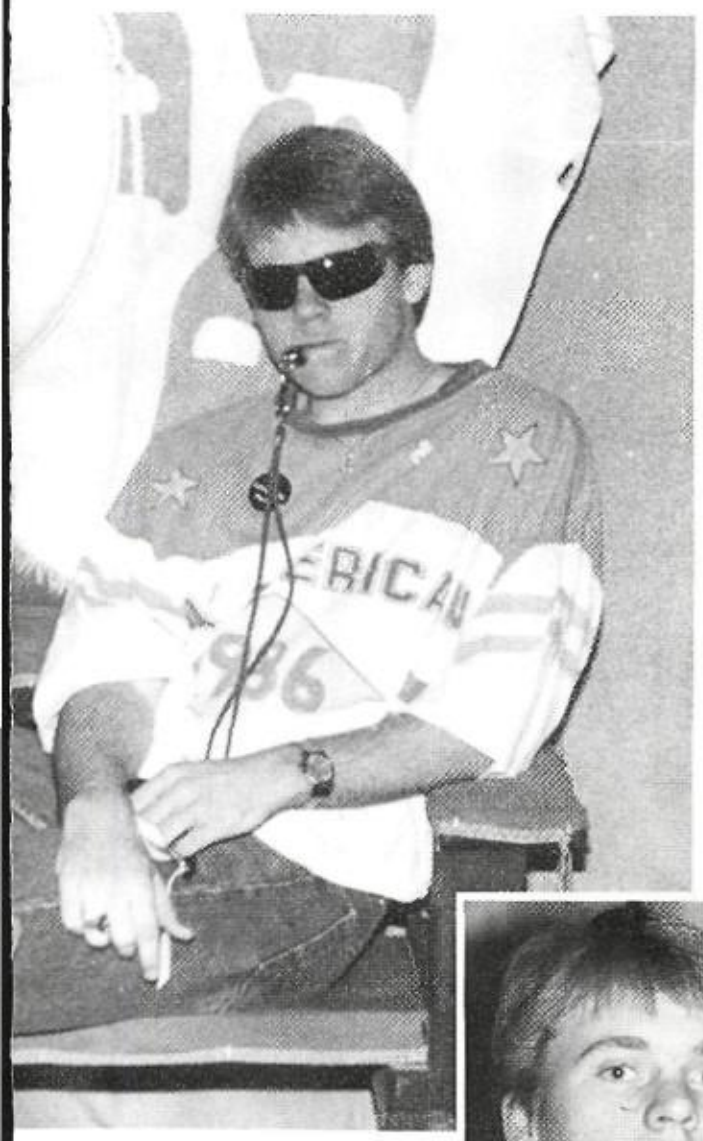
*"My contribution to the world will be to try to advance the good that's already here."*

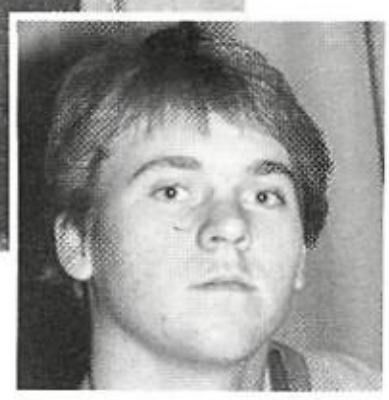


# KEISHA GRAY

Keisha describes herself as a potpourri of many different kinds of things. "I'm the kind of person who wants to do a little bit of everything." Serving as the editor of the yearbook and being involved in class and school government are all very important to her. "It shows that I can be both creative and responsible."

*"I like being a non-conformist. Being just like everybody else would be boring."*





# KIM McNEALY

Kim is the International Vice-President of Allied Youth. No mean feat for a person who is also Carter's Student Council President. "I always try to do my best and put the initiative towards compromise," says Kim. He participates on the swim team and in class government.

*"If something doesn't work, I'm motivated enough to come up with a better answer."*

# ADRIENNE HAYES

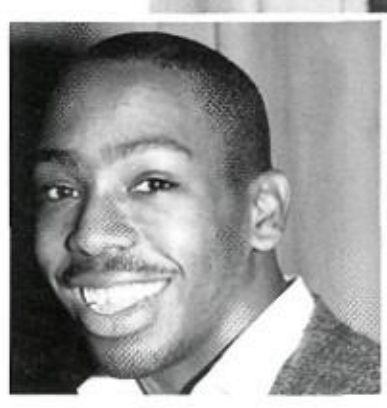
"I can handle pressure and others' expectations," says Adrienne. Balancing the responsibilities of the cheerleading squad (of which she is a co-captain) and her internship in the Executive Assistance Program is just one way of achieving the goals that she's set for herself.

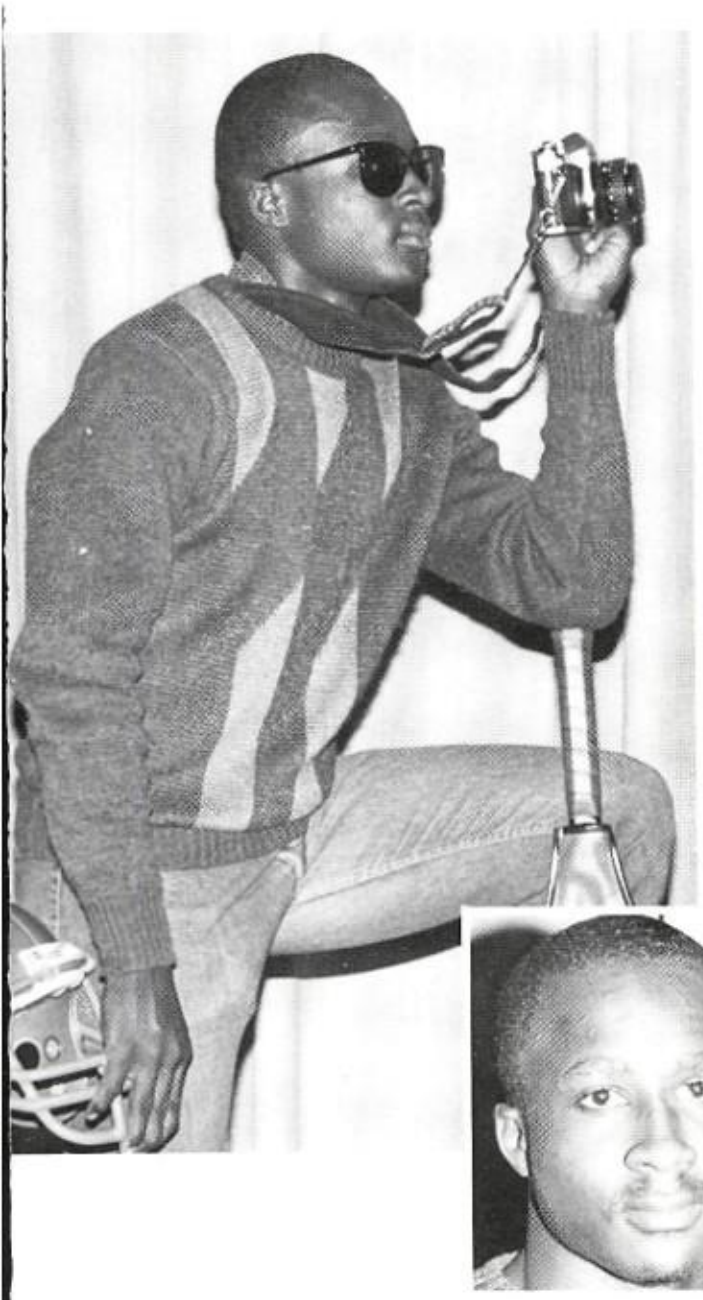
*"I'm very inquisitive. I always have to know why."*

# MILTON WATKIN

Milton plays two sports — football and baseball — and is Vice-President of Activities of the Student Council. He wants to set an example for underclassmen. "I want to demonstrate abilities that will make other students say 'I want to be like him.' "

*"I want to do something that I feel is necessary to society. I want to be worthwhile."*

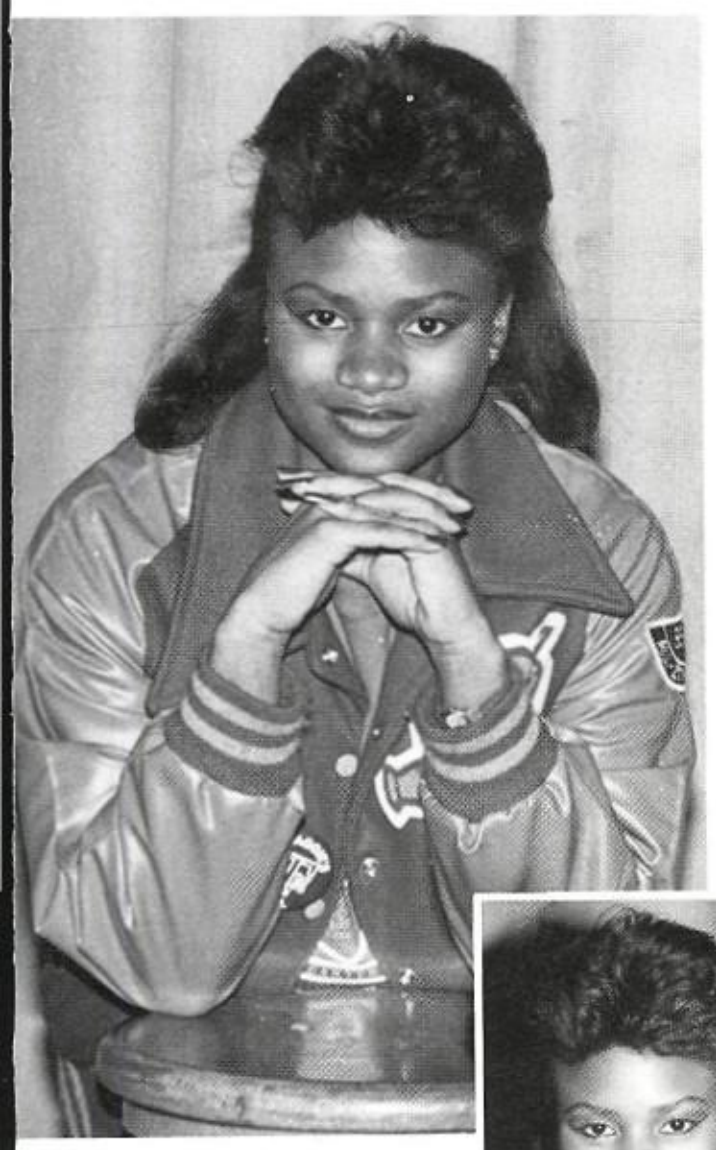




# RODRICK WEAVER

Rodrick is the Treasurer of the Student Council, but his extracurricular activities range from football, soccer, and tennis to chess. He believes that he is a good friend to people. "I'm very understanding and emotional."

*"I really believe that people are all the same except for their intellectual abilities."*



# TONYA MORRIS

Music is important to Tonya. "Singing in the choir makes me feel good," she says. A member of the concert choir for three years, she also finds time to participate in class and school government.

*"Life is not one-sided. You have to be a well-rounded person."*

# THE NEW KID ON THE BLOCK

## Robert Muñoz makes his mark in his first year at Carter

Mr. Robert Muñoz, an assistant principal, is new to Carter this year. Born in Fort Madison, Iowa, he now resides in Dallas with his two children and his wife, Yolanda. Mr. Muñoz remembers his high school days which consisted of a multitude of hard work and the close association of all the students. He earned his Bachelor's Degree in 1967 at Loras College in Iowa and his Master's degree at North Texas State in 1974.

*continued on 127*

# NEW KID ON THE BLOCK

*(continued from 126)*

He was called on to serve in the Vietnam War and rose to the rank of first lieutenant.

In 1959, Mr. Muñoz was directed by a coach into the field of teaching. The coach told him, "You can do it (teach) and do it well." An instructor for 20 years and in his sixteenth year in the D.I.S.D., Mr. Muñoz has taught P.E., Spanish, and Social Studies. He has worked at Daniel Webster, Sunset, and the Business Magnet. "Carter is a wonderful school with a caring staff," says Mr. Muñoz. He highly praises the teachers, students, and parents associated with our school. He does see some problems with today's students, but he is sure that they will "think to the future and remember what must be done to succeed."

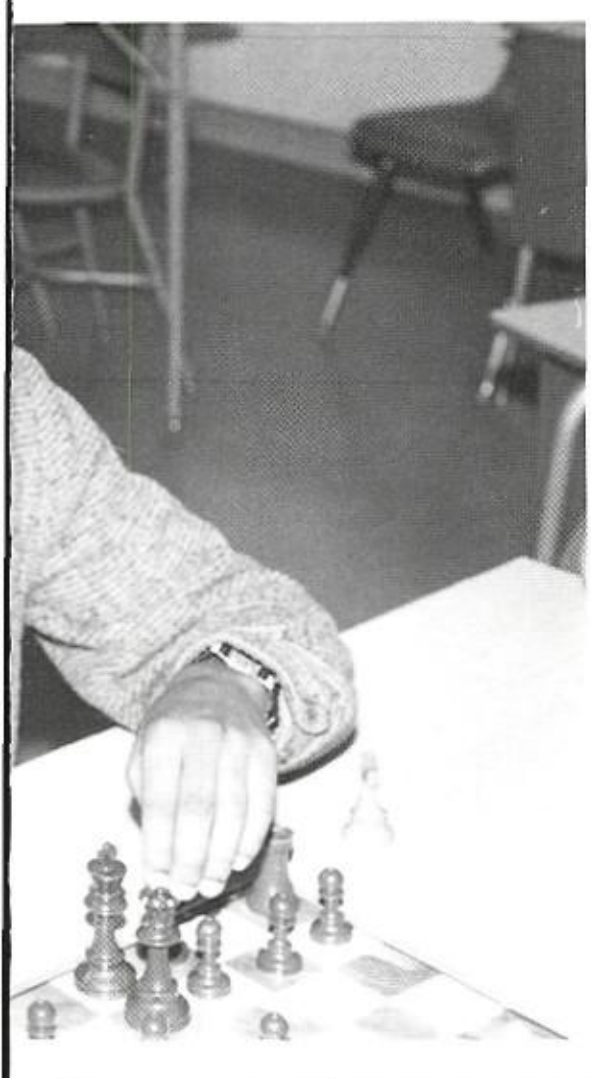
*EXTRA-CURRICULAR ACTIVITIES ARE A GREAT PART OF THE LIVES OF CARTER STUDENTS.*

*THE CLUBS COVER MANY SPECTRUMS — FROM CHOIR TO CHESS; STUDENT COUNCIL TO STAGE-CRAFT.*



# LEADERS OF THE PACK

The Student Council, the governing body of David W. Carter High School, consists of students from all four grade levels who wish to improve the reputation and restore the pride of our school.

During the summer, the sponsors and members of the Student Council took time out of their individual schedules to set calendar dates for the number of new and exciting activities for the entire student body.

To start the year out right, the Student Council sponsored a "Battle of the DJs" Back to School Dance. Students living throughout the area came to the lunchroom to see the top DJs of Carter High School. To heighten class spirit and pride, the Student Council decorated one of many hallways in the school to support the football team in their Homecoming battle against the Kimball Knights. With the support of sponsors, members, and parents, the Student Council hallway won a first place trophy. To continue the Homecoming excitement, the Student Council sponsored the Homecoming Dance at Union Station where the Homecoming Queen and Court were presented.

At the end of an exciting year, twelve select Council members will travel to Austin for the Texas Association of Student Councils Conference. At that time, the Student Council will exchange ideas for spirit building, fund raising, and school projects with other top high school Councils in the state.

# HELPING OTHERS HELP THEMSELVES

Many students are unaware of the caring instinct that is present in our own high school. Allied Youth, Red Cross, and the Y-Teens are here to provide our students with opportunities for community involvement.

The purpose of Allied Youth is to provide a structure within which young people have an opportunity to (1) become aware of the necessary knowledge and options for a healthy lifestyle, (2) develop essential positive life skills, and (3) promote concern for others and eagerness to be of assistance to others. Allied Youth encourages members to use thei own ideas to develop an accomplish program which are designed t meet these ends.

The Red Cross Youth Services provides oppor tunities for youth to giv service and to improv the quality of life fo others. By completin service projects, youth

# HOT OFF THE PRESSES!

Carter's two publications, the *Round-Up* (yearbook) and the *Wrangler* (newspaper) have the job of recording all events that happen at our school and keeping them for posterity. The *Round-Up,* under the guidance of Dr. Roy Watson, has been growing journalistically for the past few years. The *Wrangler,* with Bruce Chambers as the adviser, has taken a quieter approach to achieving the goal of producing an award-winning newspaper. To their credit, these two publications do the best at chronicling all of Carter's happenings, be it up to the minute news flashes or an overview of the entire year.

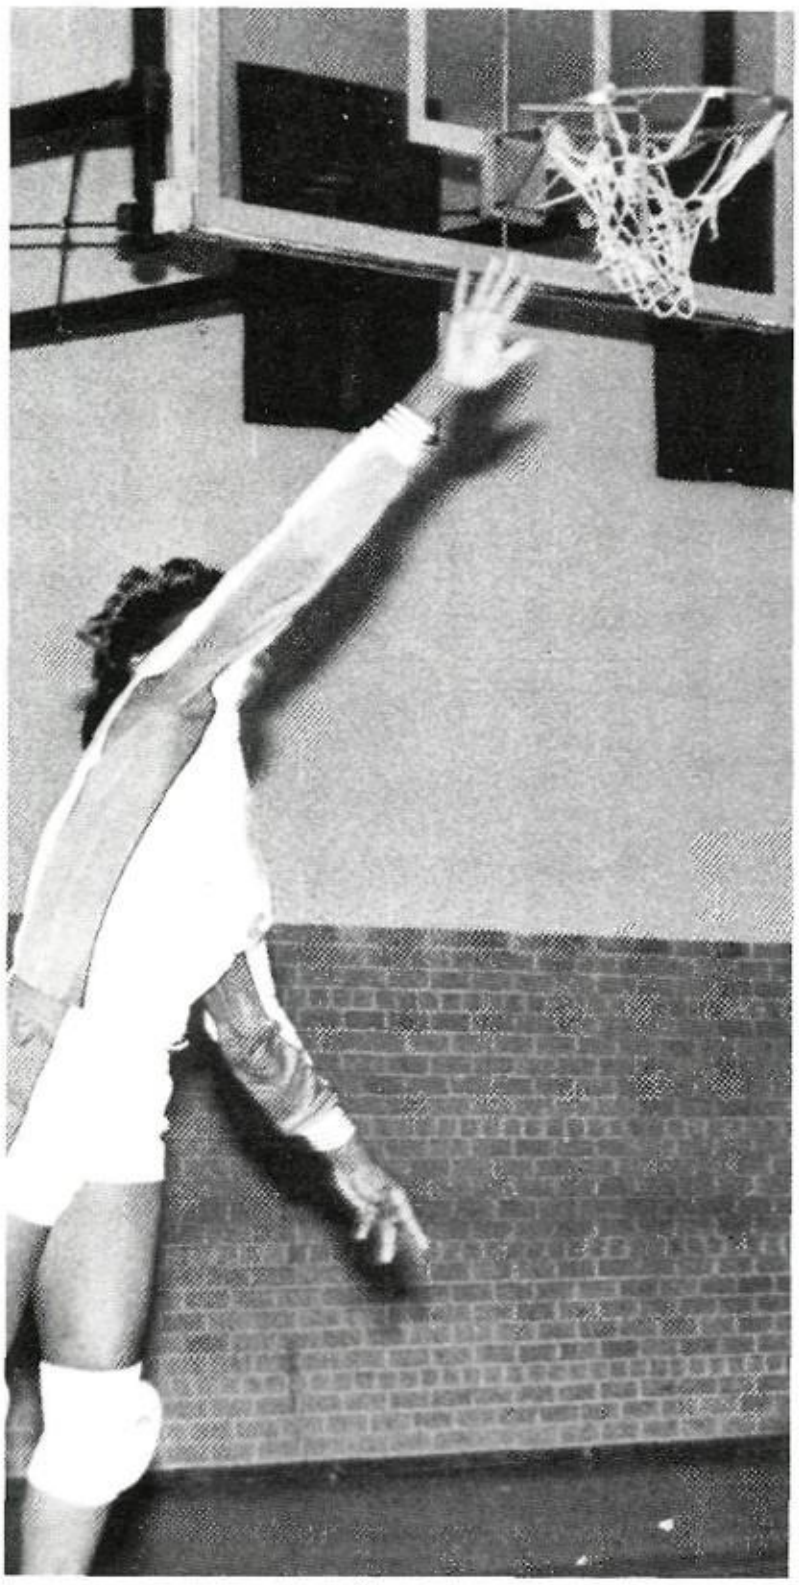
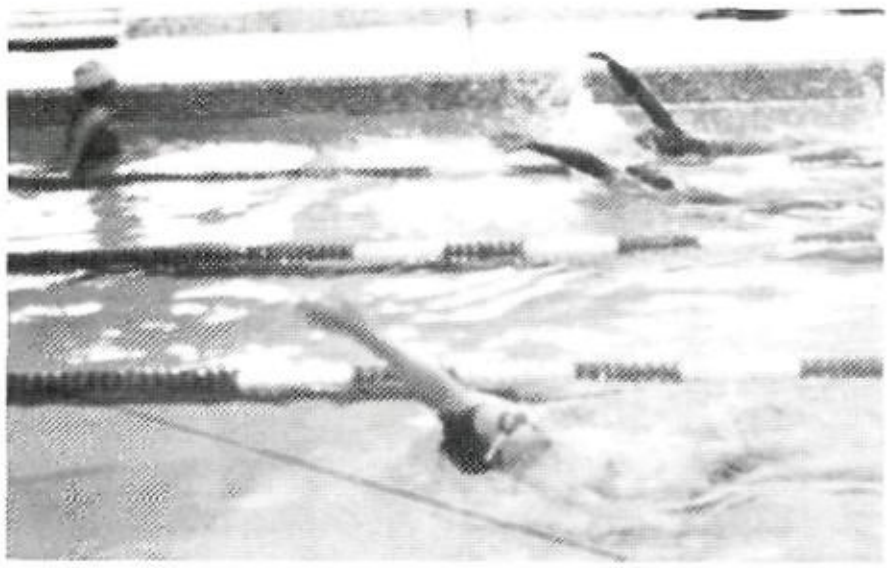
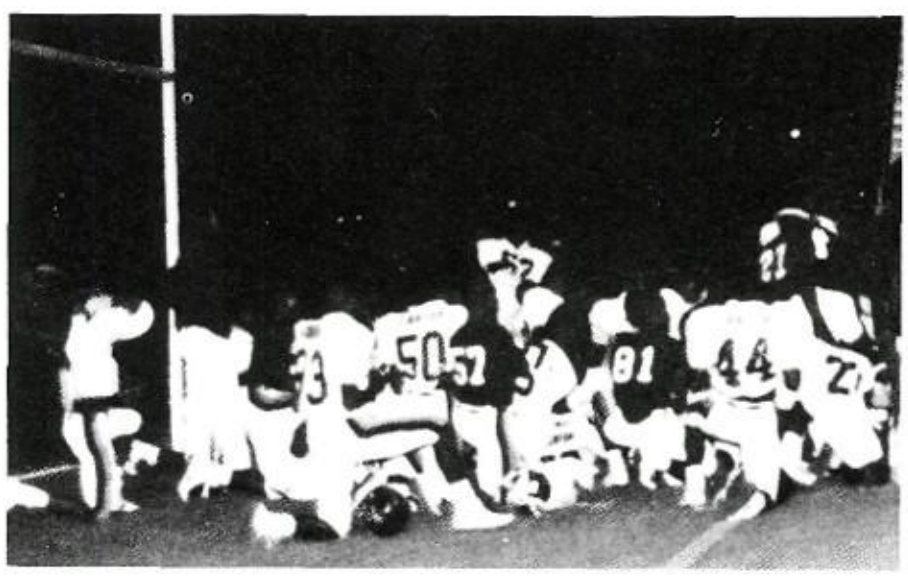
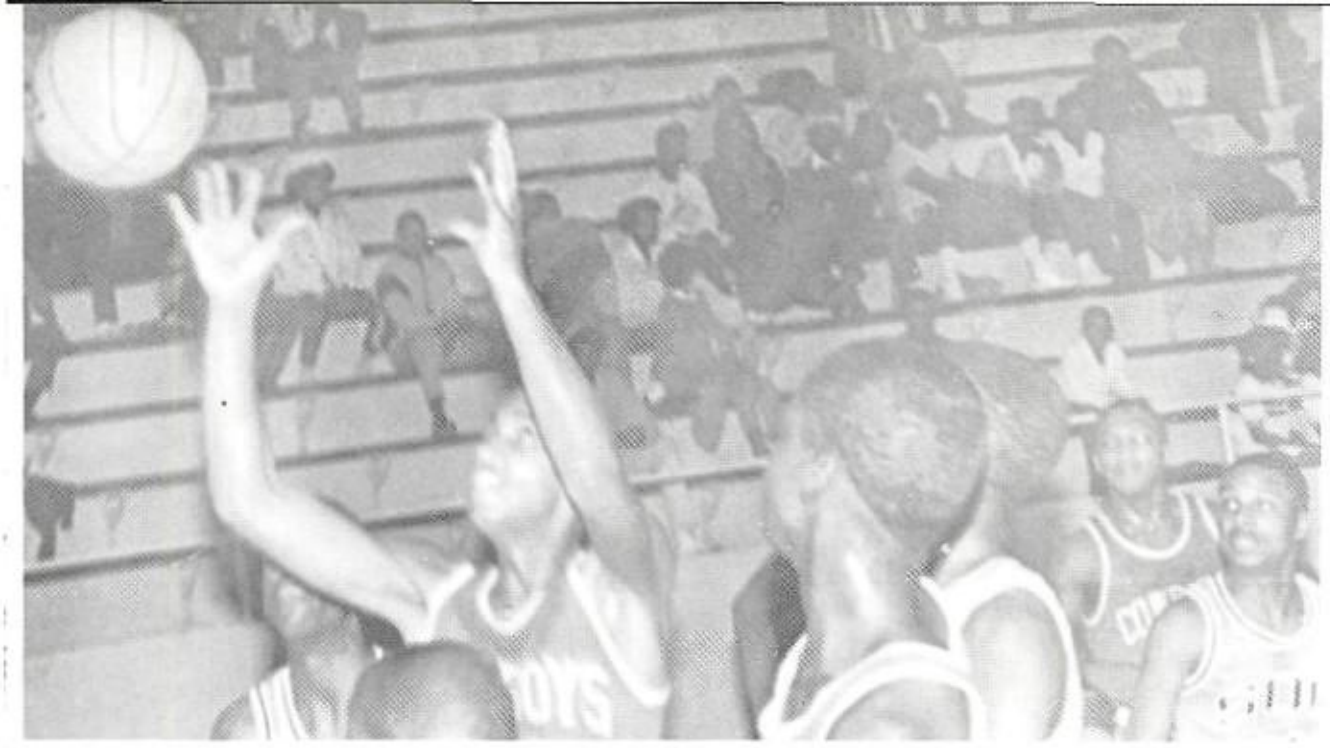
# A TIME TO PLAY







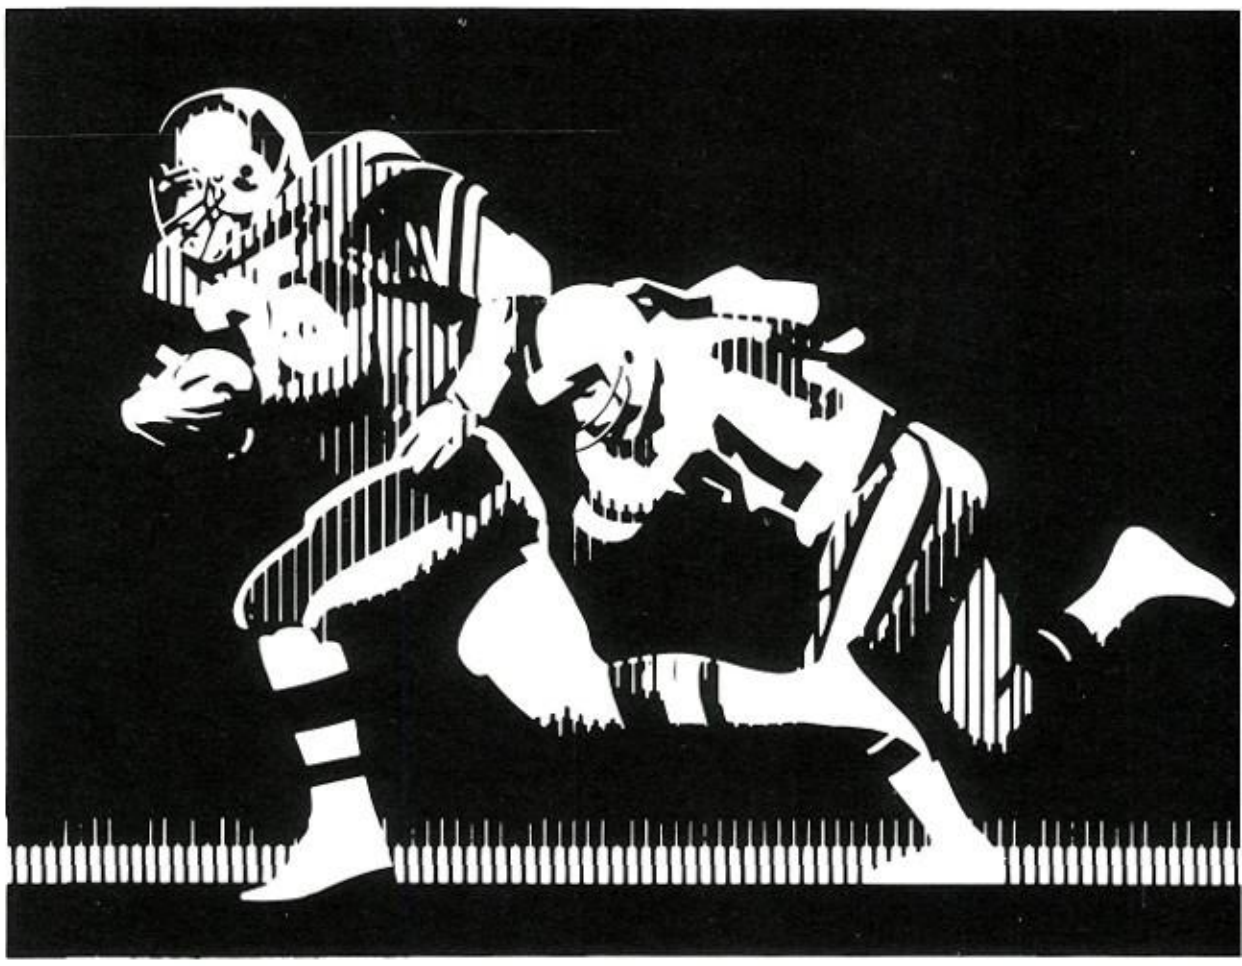


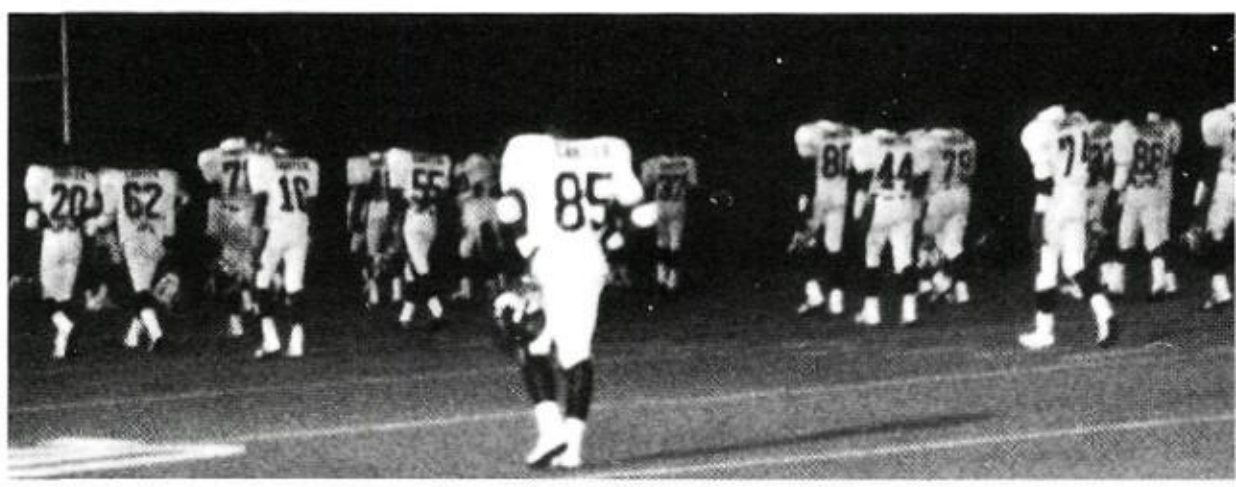
# SPORTS

*PHYSICAL ACTIVITY INVOLVES THE CULTIVATION OF A SOUND MIND AND A SOUND BODY. THE ATHLETES ON CARTER'S SPORTS TEAMS STRIVE TO BE SWIFTER, HIGHER, STRONGER.*

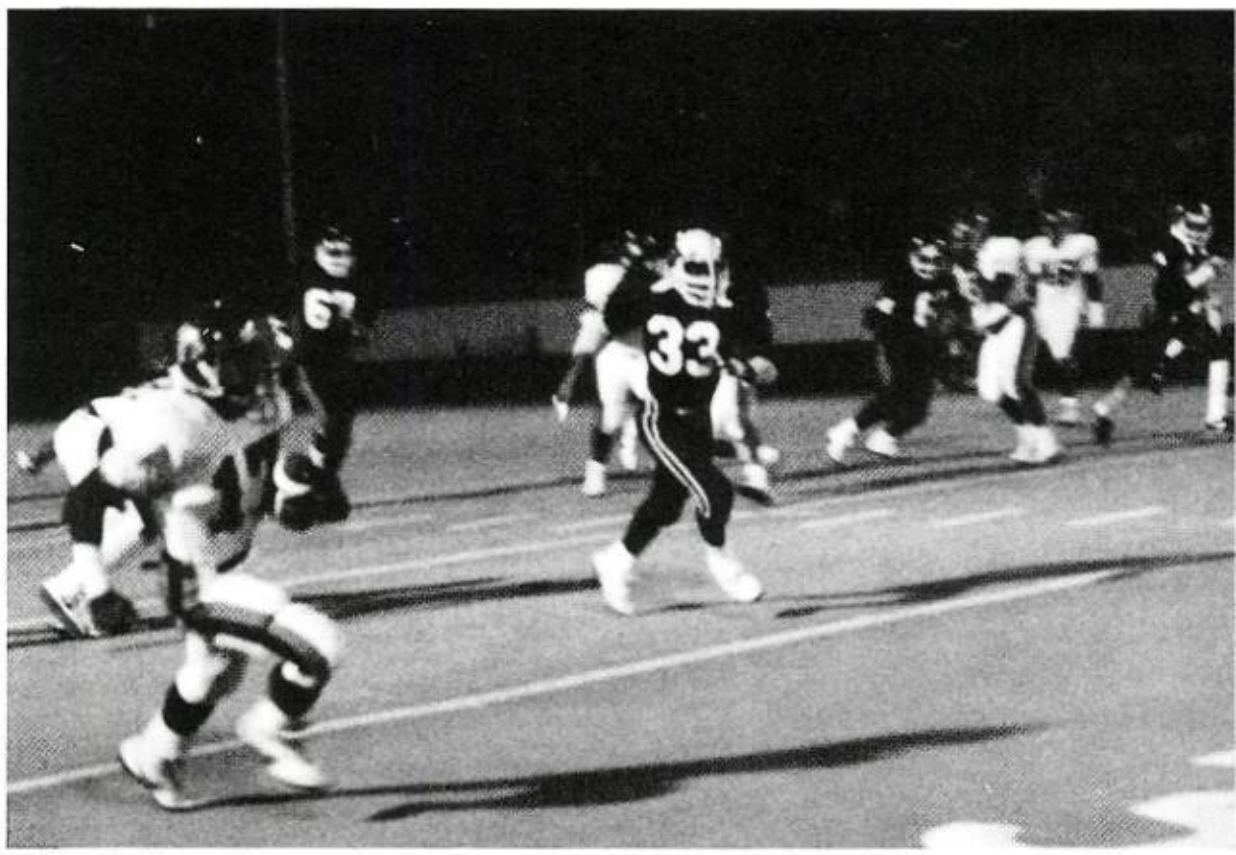
# FIVE GAMES AWAY

After a disappointing 1985 season (7-3), the Carter Cowboys made a promise to themselves: "All the way to state!" A road trip to Tyler to play John Tyler High School proved fruitful as the Cowboys came away with their first victory of the season, 27-0. Other non-district games against Fort Worth O. D. Wyatt (39-0), Longview (19-0), South Oak Cliff (44-19), and Spruce (34-14) upped the Cowboys' record to 5-0. The district season opened with drubbings of Pinkston (48-0) and Sunset (57-0), but the schedule got harder as the weeks progressed. Thomas Jefferson was a tough opponent; Carter barely escaped with a 20-14 win. W. T. White proved to be a little easier (33-14). The regular season ended on a low note with a 7-6 loss to Kimball on Homecoming. Placing second in district, Carter faced Richardson in the Cotton Bowl for our first playoff game. Winning 14-0, Highland Park was to be our next victim. But Highland Park surprised the Cowboys with their offensive attack and won, 31-11. The Carter Cowboys anxiously await next season, when they hope to be less than five games away from the state championship.





The Cowboys leave the field, dejected after their 7-6 loss to the Kimball Knights.



Milton Watkin (17), avoids Kimball tailback Chandler Reed for a 65 yard kickoff return.

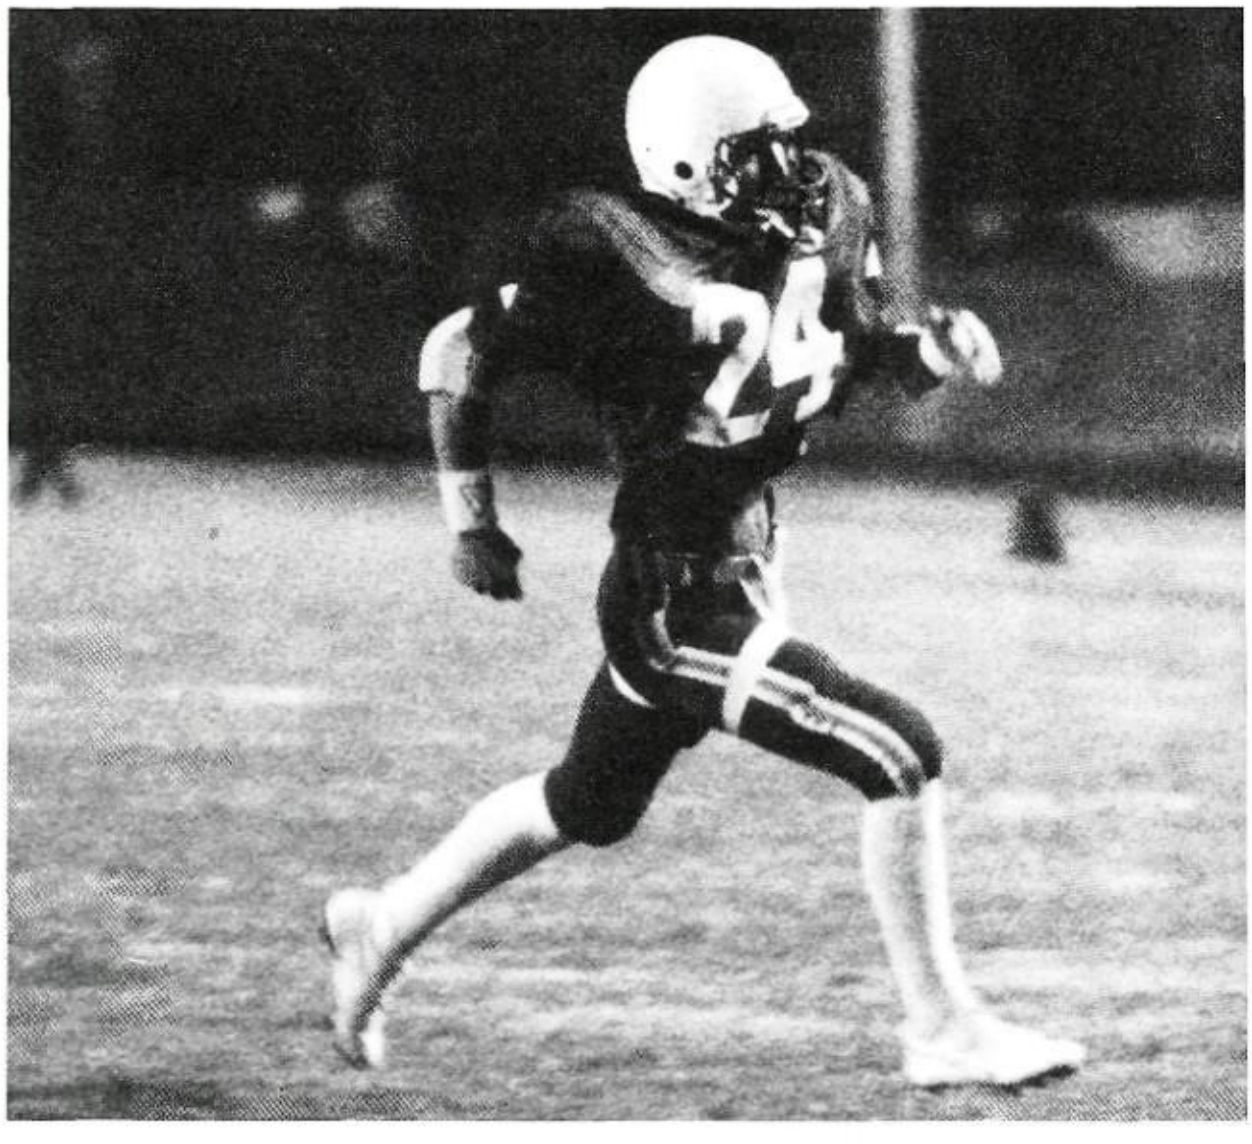
# WAITING IN THE WINGS



Playing on a junior varsity or freshman team is a tough job. There is not the attention that is paid to the varsity team. There are no stars that are featured regularly in the paper. This is the lower and middle stage of training for the big leagues. These young men are waiting in the wings for their taste of the varsity glory.

# HOOP-DE-DO!

Basketball has always been one of Carter's strongest sports. The 1987 season got off to a slow start, but the district schedule proved to be a challenging one for the Cowboys. They battled the Kimball Knights, the Pinkston Vikings, and a revitalized Sunset Bison team for control of the top spots in the district.

# Girls Basketball: Taking It To THE HOOP!

The Girls' Basketball teams are on a roll. Blessed with their tallest team in years, the Varsity team defeated their opponents, district and non-district, by some of the widest margins ever seen. One opponent lost by the incredible score of 107-24. The Varsity team easily took district with an undefeated 10-0 record and headed for the playoffs. The Junior Varsity team, preparing its players for Varsity spots, also went undefeated (10-0) in district.

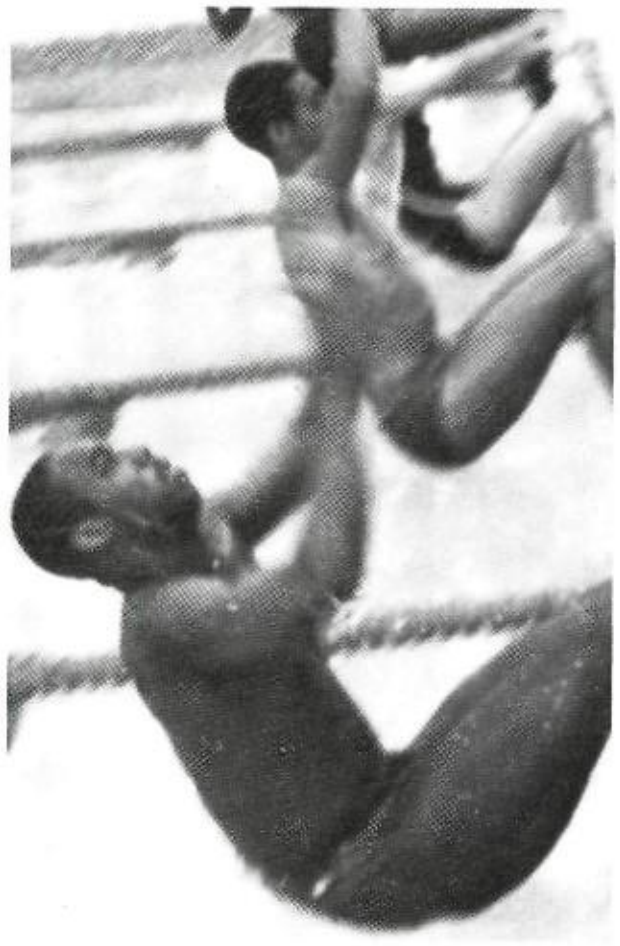
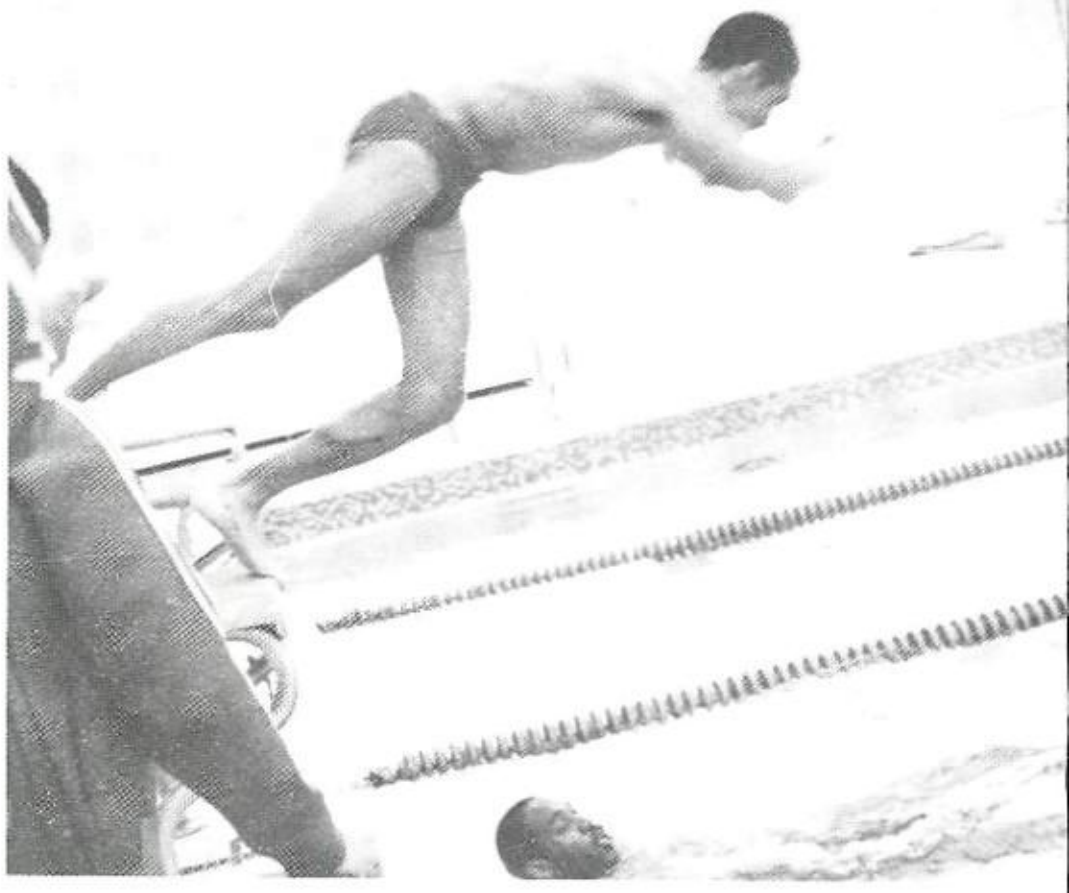
# Come On In . . .
# THE WATER'S FINE

Carter's swim team is small but powerful. With a rebuilt varsity team and several returning swimmers from past years, the Cowboys have proved themselves in the water, consistently being the best in relay and distance swimming races.

Carter's swim team is looking forward to the district swim meet, where they plan to take at least three relay races and at least four of the individual races.



Swimmers take off in a 400 meter backstroke race.



Harvey Williams touches the end of the pool, Milton Brown leaps into his leg of a relay.

# *Soccer* It To Me!

After years of being overshadowed by other, more popular sports, soccer is beginning to make a comeback at Carter High School. Carter fields both girls and boys teams, and they have obtained great success against their non-district opponents. The real test comes when they meet their district rivals.

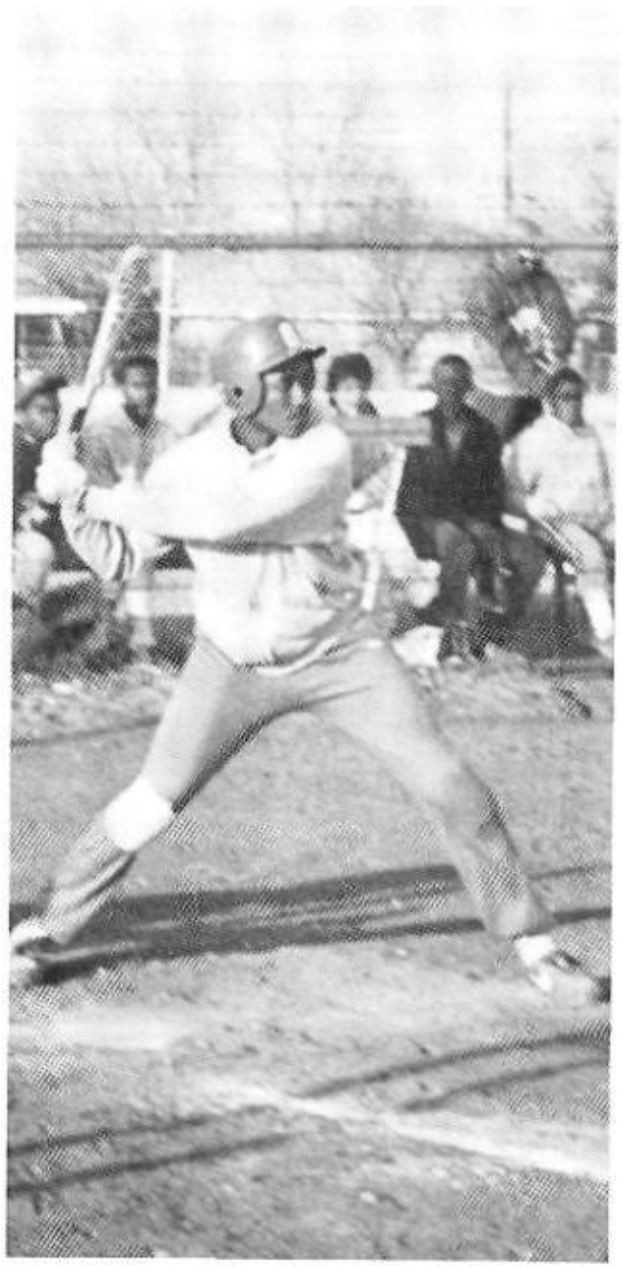
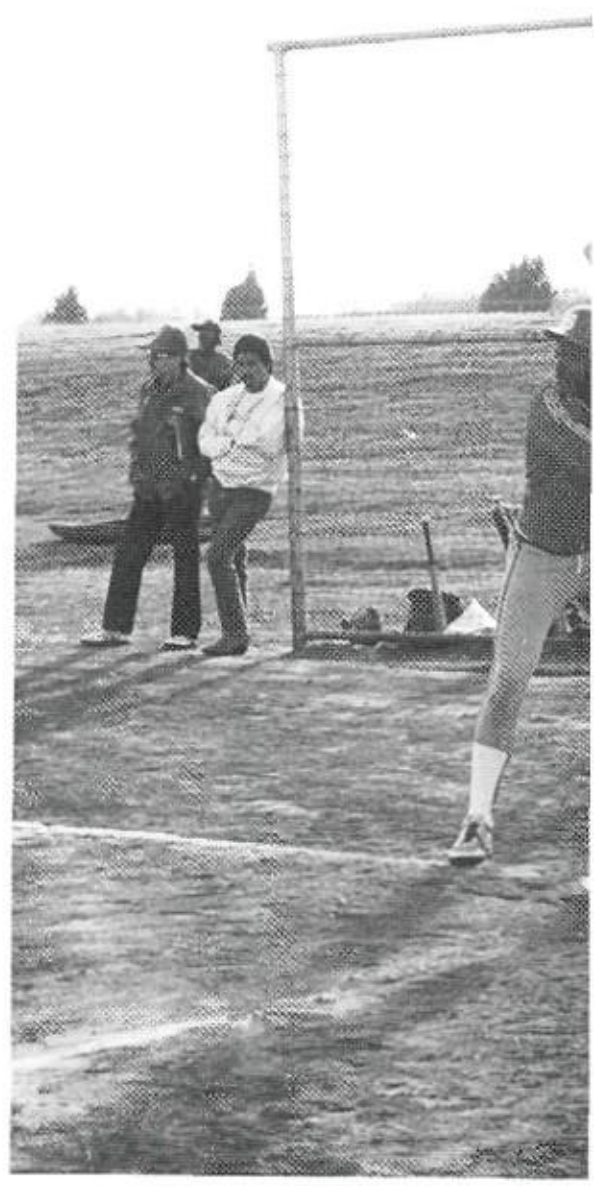
# BATTER UP!

Baseball at Carter is better than ever. There are now enough players to field both a varsity and a large junior varsity squad. The varsity team held their own last year in district play, finishing very close behind perennial baseball giants Thomas Jefferson and W. T. White. They are planning on winning district this year.

The junior varsity squad looks strong this year. They have problems with finding other teams to play. Their main effort this year is to prepare the junior varsity for varsity positions next year.





Eddie Gassaway takes his turn at bat in a non-district game.

# TENNIS, ANYONE?

Tennis is a sport that people can play for the rest of their lives. These athletes are starting early. This is the largest tennis team that Carter has fielded in many years. Although Carter is not known as a powerhouse in district tennis, the team expects new growth in the future. They also expect the addition of a new tennis court to practice on late in the spring of 1987.

# FASTER THAN EVER

The Boys Track and Cross Country teams looked especially good in 1986-87. The Cross Country Boys won district, and the Boys Track and Field Team looked to extend their string of district wins too. They also wanted to repeat their successes of the spring of 1986, when they won several races at the State Track Meet and set a new record in the 1600 and 400 meter relay races.

Derrick Cunningham starts and finishes ahead of the competition in the 400 meter race.

# SWIFTER AND FASTER

The Girls Track and Cross Country teams have quite a tradition to uphold. Carter boasts some of the fastest girls ever in the state of Texas. Several former Track team members have gone on to greater successes. Carter's track team has a state winner in some track or field event every year.

The Girls Cross Country team is not as famous as its counterpart, but the program is growing by leaps and bounds every year. This year's team placed many participants into the top three of nearly every cross country meet participated in.

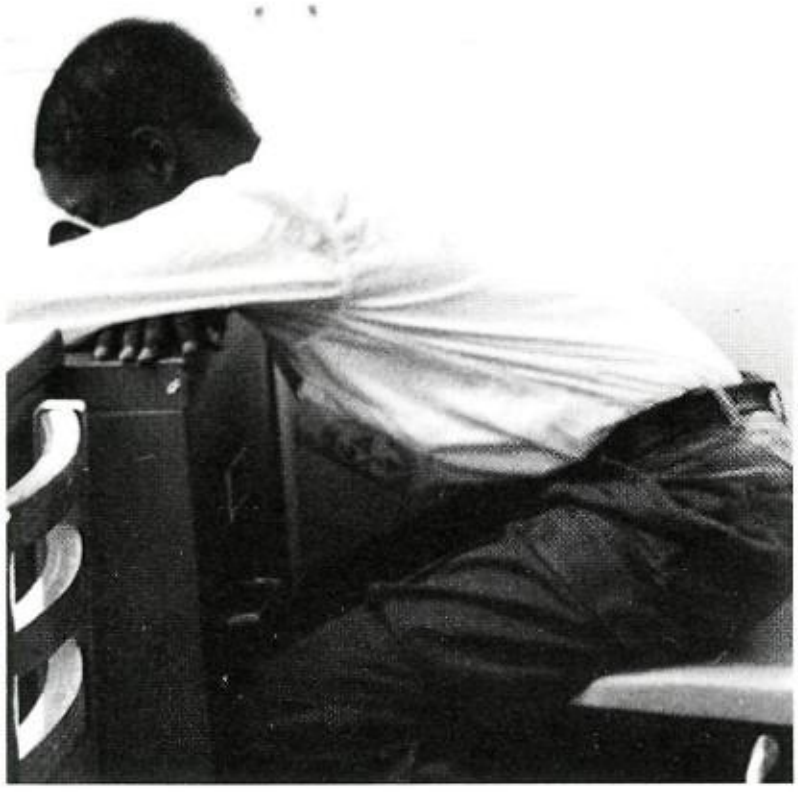
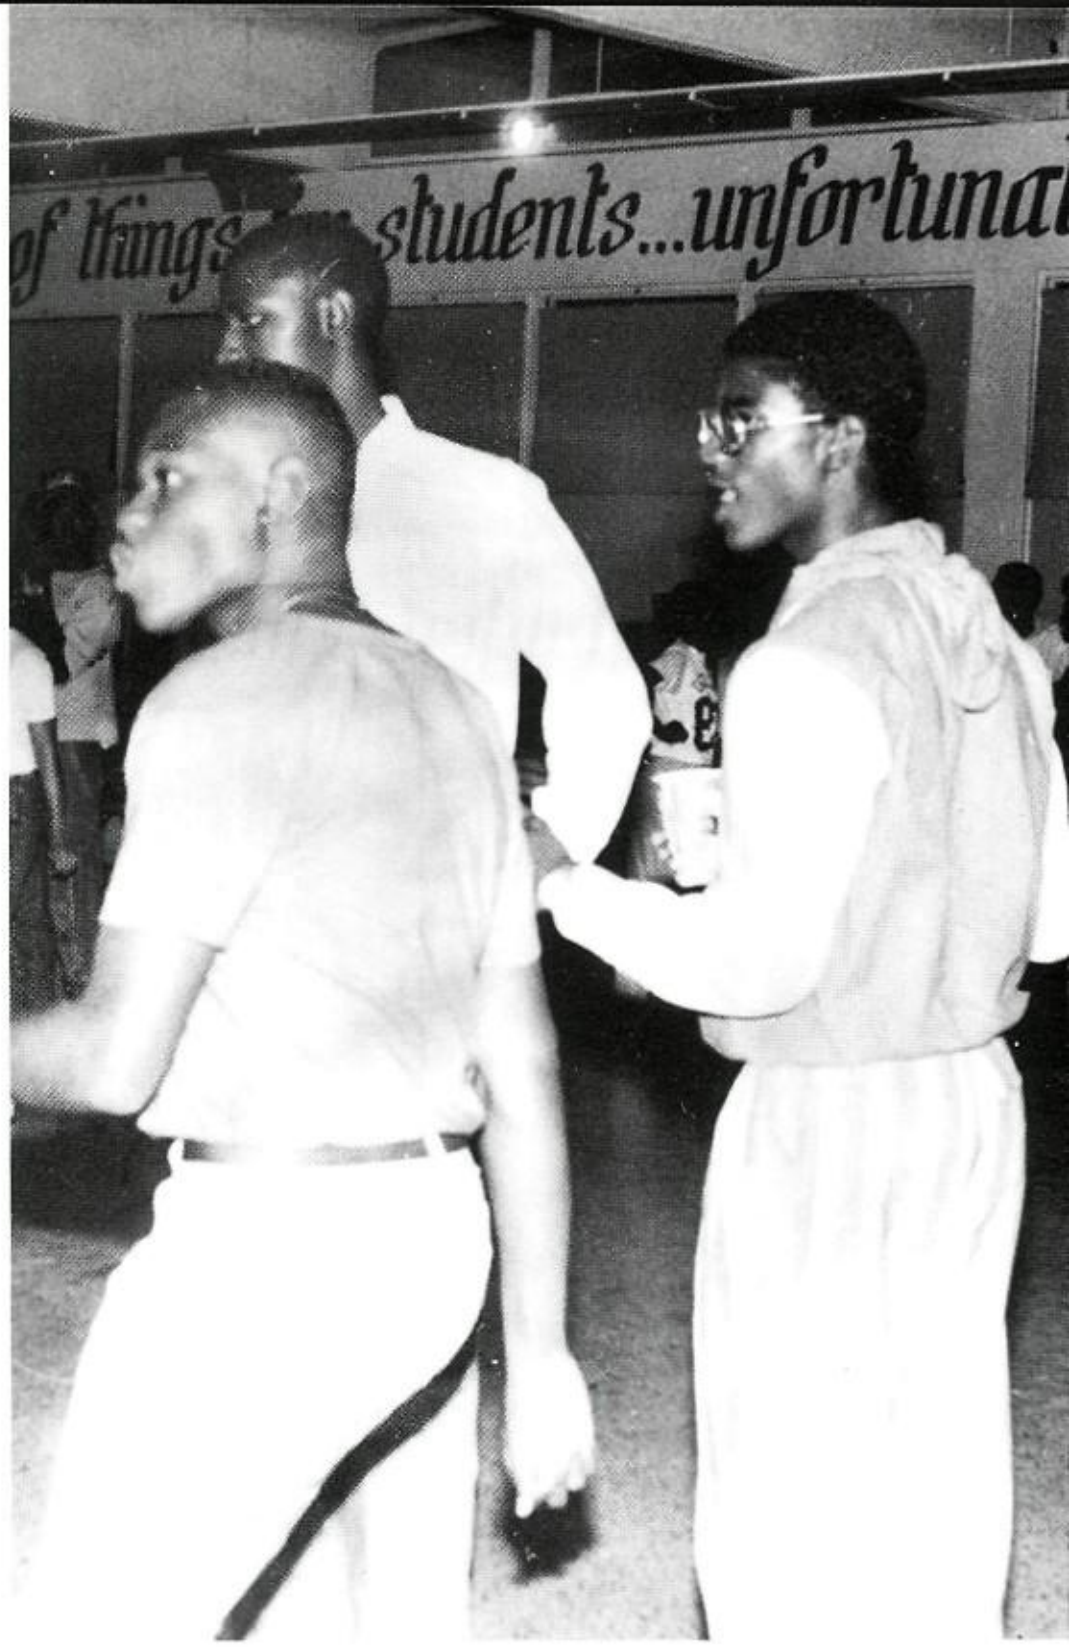
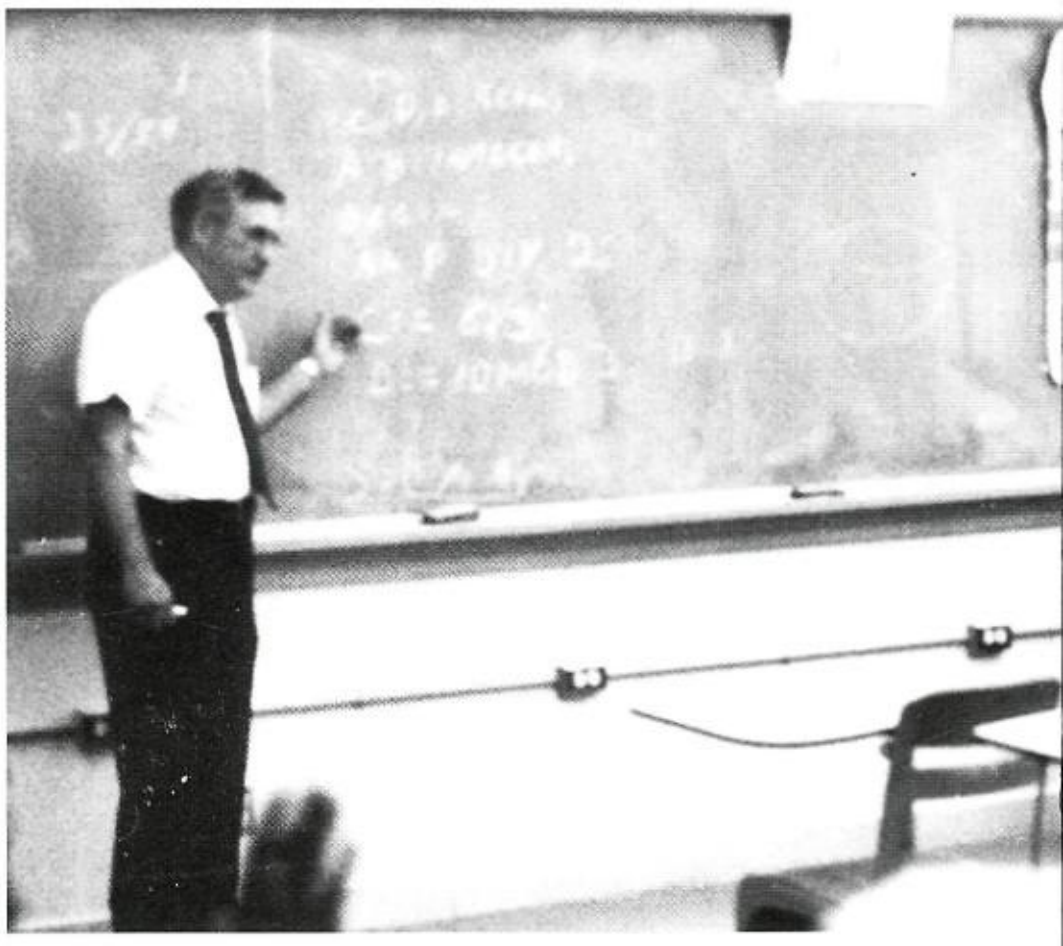
To Karen, A beautifully warm person. Will miss you
Love, Marcus Yarry
Mary '91

To everything
there is a season,
and a time to every
purpose under heaven . . .



*How do I say good-bye*
*To what we had*
*The good times that made us laugh*
*Outweighed the bad*
*I thought we'd get to see forever*
*But forever had gone away*
*It's so hard to say good-bye to yesterday.*
*I don't know where this road is going to*
*All I know is where we've been and what we've*
*been through*
*If it gets me to forever*
*I hope it's worth all the pain*
*It's so hard to say good-bye to yesterday*
*And I'll take with me the memories*
*To be my sunshine all through the rain,*
*It's so hard to say good-bye to yesterday.*





a time to begin . . .

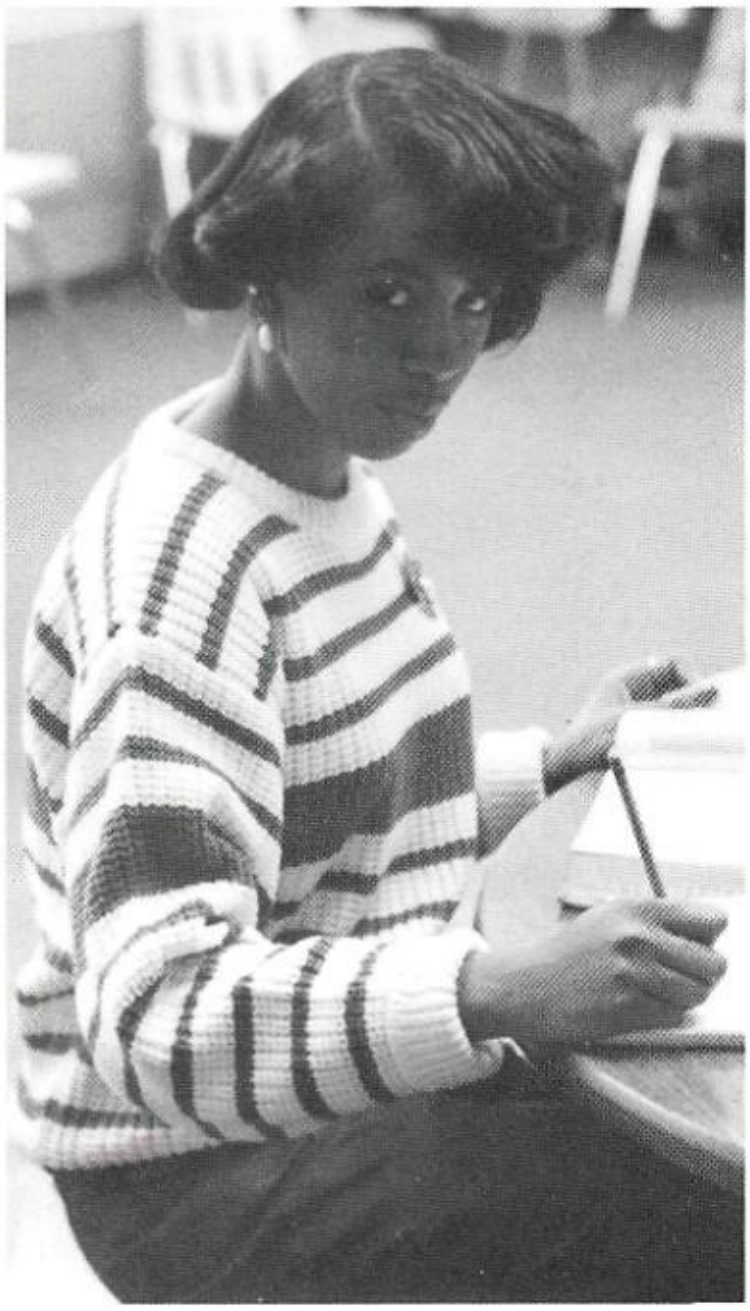
# a time to live . . .

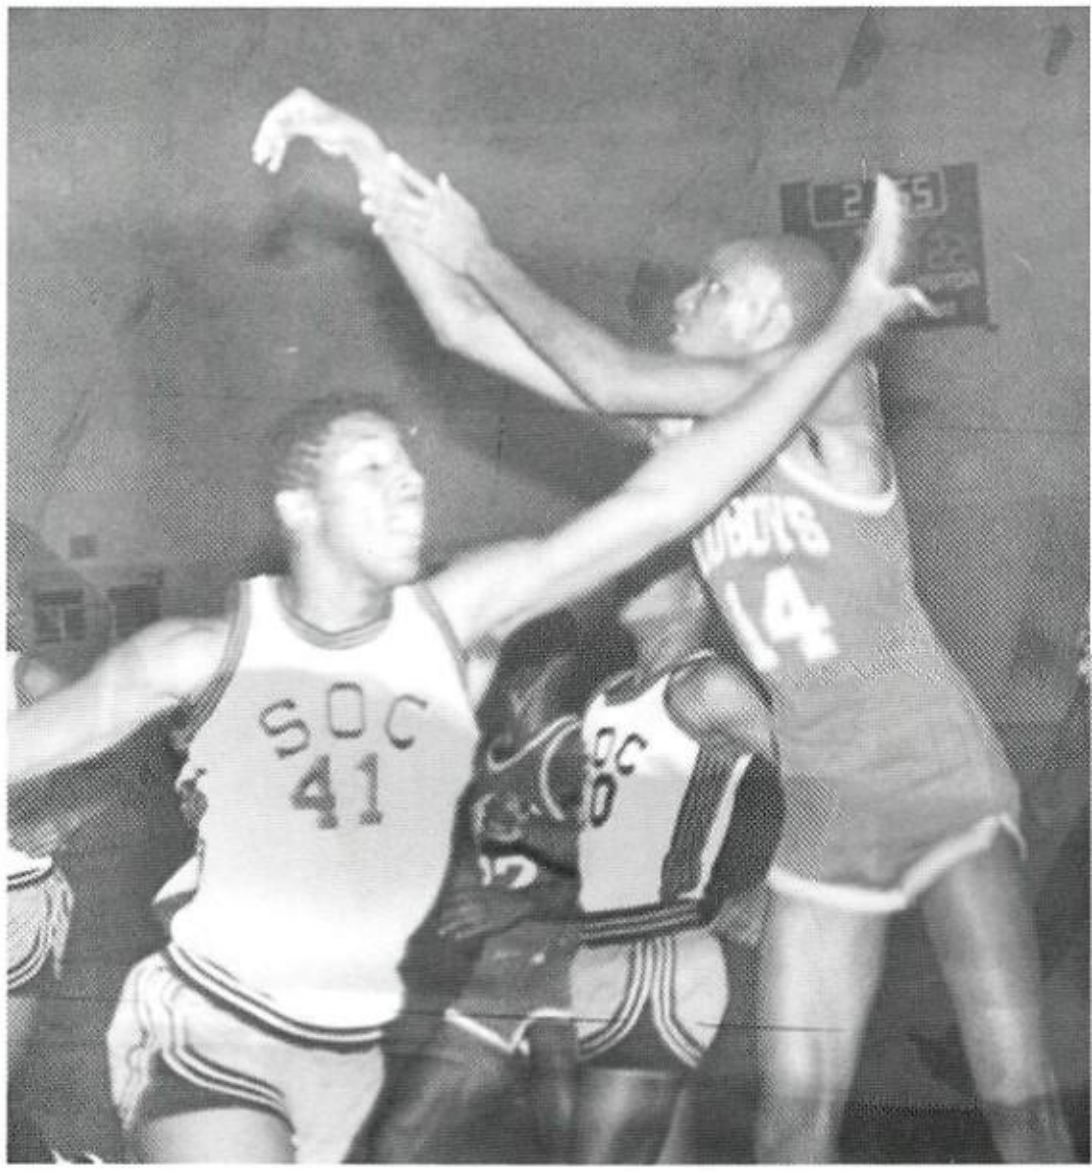
*Talking 'bout my T-shirts*
*And how they used to fit me*
*When I'm laughing with my friends*
*Their spirits seemed to lift me*
*I'm talking 'bout '86 and '87*
*And all the things we did*
*It's not that now we're all that old*
*But then we were just kids*
*My friends, my friends*
*We never got together again, but*
*I love my friends, my friends*
*My memories are happy*
*My memories are sad*
*But I love to take my pictures out*
*And think of things I had*
*My songs are a lot like my life now*
*Honest, always true*
*Me and my friends were dreamers*
*Dreaming will always do.*
*My friends, my friends*
*We never got together again, but*
*I love my friends, my friends*
*My friends, my friends*
*We never got together again, but*
*I really do miss my friends.*

# a time to lead . . .

# a time to grow . . .

# a time to learn . .



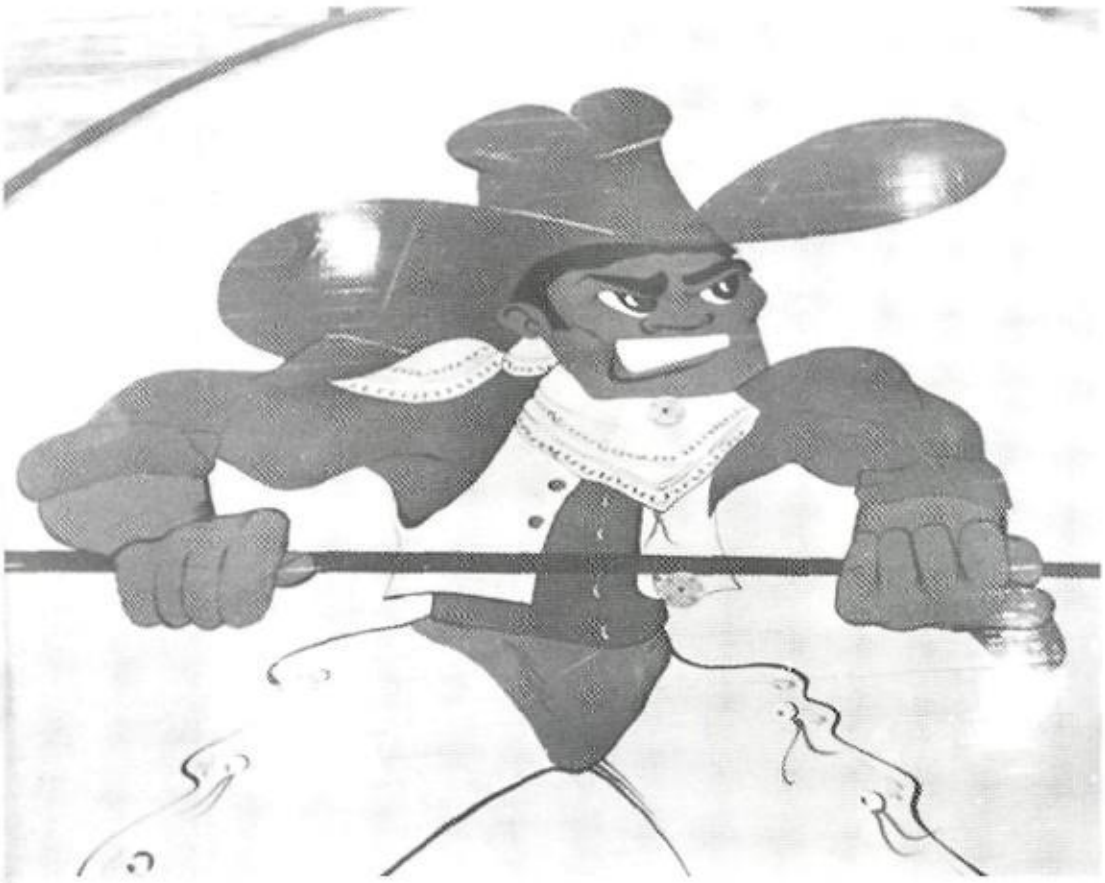


# a time to join . . .

*If I could save time in a bottle*
*The first thing that I'd like to do*
*Is to save every day 'till eternity passes away*
*Just to spend them with you*
*If I had a box just for wishes*
*And dreams that had never come true*
*The box would be empty except for the memory*
*Of how they were answered by you*
*But there never seems to be enough time*
*To do the things you want to do*
*Once you find them*
*I've looked around enough to know*
*That you're the ones I want to go through time with.*

# a time to play . .

# a time to buy . . .



*There are places I'll remember*
*All my life, though some have changed*
*Some forever not for better*
*Some have gone and some remain*
*All these places had their moments*
*With lovers and friends I still can recall*
*Some are dead and some are living*
*In my life I've loved them all*
*But of all these friends and lovers*
*There is no one compares with you*
*And these memories lose their meaning*
*When I think of love and something new*
*Though I know I'll never lose affection*
*For people and things that went before*
*I know I'll often stop and think about them*
*In my life I'll love you more.*

# About the *Round-Up* . . .

## *Colophon*

Volume 21 of the David W. Carter High School *Round-Up* was published by the yearbook staff. The book was printed by Taylor Publishing Company of Dallas, Texas. The 208 pages of the *Round-Up* were printed using an offset lithography process. The paper is 80 pound matte. The cover is a custom one-color thermo-screen on a linen grained 241 blue base. The endsheets are a 40% screen of process red ink. The title page, table of contents, opening, and first eight pages of the Student Life section were screened with 100% and 40% process red and process blue inks.

The standard typeface for the book is Souvenir. The individual typeface for each section is as follows:

Opening — Souvenir
Student Life — Optima
Seniors — Garamond
Underclassmen — Melior
Academics — Century Schoolbook
Organizations — Palatino
Sports — Korinna
Advertisements — Stymie Medium
Index — Helvetica Standard
Closing — Souvenir

Headlines, text type, and captions were printed in varying sizes for each individual section.

All photographs were taken by the staff photographers, Logan Photography, and Smiley's Photography.

Individual copies of the *Round-Up* were sold to students and faculty for $20. 450 copies were printed by Taylor Publishing Company. Our Taylor Publishing Company Representative was Ray Westbrook.

**1987 *Round-Up* Staff**

Editor-in-Chief: Keisha Gray
Staff: Reginald Carter, Norvell Eutsey, Danielle Knighten, Rosemary Mata, Kim McNealy, Pamela Milliner, Milton Watkin.
Photographers: Sariena Bell, Donna Dunn, Cindy Gillespie, Rodrick Weaver.
Adviser: Dr. Roy Watson.

## *Editor's Note*

As the creation of this yearbook is completed, acknowledgements must be made to those who made it possible.

As the editor of the 1987 *Round-Up,* it was my responsibility to decide the style and feel of this book. However, I couldn't have done it alone. This year's staff was not very experienced, but what they lacked in expertise they made up for in enthusiasm and dedication. I greatly appreciate them.

Many thanks goes out to Ray Westbrook, our liaison with Taylor Publishing Company. He helped us with everything, from answering our questions about printing specifications to obtaining supplies. Without his help, we probably would have had a smaller yearbook.

To Dr. Roy Watson, our yearbook advisor, I extend my warmest appreciation and my greatest respect. Because we had such a small staff, Dr. Watson pitched in when we couldn't do it all ourselves. His guidance, positive attitude, and friendship made lasting impressions that can be seen throughout the book.

And finally, a special thanks to the David W. Carter family — students, faculty, parents, and friends. Without you and your memories, the 1987 *Round-Up* would not have been possible. Take care, everybody. It's been real and it's been fun.

And so it goes,
Keisha J. Gray
